

**Dr. M N Giriprasad** has obtained his B.Tech degree from JNT University College of Engineering, Anantapur in 1982, M.Tech degree from SV University College of Engineering, Tirupati in 1994, Ph.D. from JNT University, Hyderabad in 2003.

**Dr. M N Giriprasad** is in teaching and research for the last thirty two years in the faculty of Electronics & Communication Engineering. He worked in KSRM College of Engineering, Kadapa from July 1986 to January 2001, worked in erstwhile JNTU College of Engineering, Ananthapuramu, from January 2001 to August 2006, worked in JNTUA College of Engineering, Pulivendula from August 2006 to June 2011 and from June 2011 to till date working in the department of ECE, JNTUA College of Engineering, Ananthapuramu. Presently, he is Director of Admissions, JNT University Anantapur.

He worked in various capacities at JNTUACEA and JNTUACEP. He worked as Head of ECE department at JNTUACE, Pulivendula from August 2006 to June 2011. During this period he has also worked as Principal for a duration of seven months from January 2010 to September 2010. He has worked as Head of ECE department at JNTUACE, Ananthapuramu from March 2013 to August 2015.

He has taught various subjects like Microprocessors and Microcontrollers, Optical Communication, Electronic Measurements and Instrumentation, Communication Systems and Electronic Devices and Circuits etc., to undergraduate students and subjects like Digital System Design, Fault Tolerant Systems, Embedded Systems, System Design using Microcontrollers and ARM Based Controllers etc., to postgraduate students. Established all the laboratories required for under graduate program as per the curriculum at JNTUACE, Pulivendula during 2006 to 2011.

He has **104** research publications in both National and International Journals. Out of these publications, around **10** are SCI and around **55** are SCUPUS. He has attended two IEEE International conferences for presenting papers, one at Singapore in 2008 and another at Muscat in 2016. Under his guidance **32** students have completed their Ph.D successfully. Another **10** students are working in his guidance. A few areas of his research are Bio Medical Instrumentation, Image and Signal Processing, Medical Image Processing, Digital System Design and Embedded Systems etc., He is life member in Professional societies, viz., ISTE, IEI and NAFEN.

**Dr. M N Giriprasad** is also associated with several universities and autonomous colleges in the syllabus/curriculum revision. He is presently BoS Chairman for PG programs in JNTUA. He was BoS Chairman for UG programs of JNTUA during 2016 – 2018. He is member of BoS for several Universities like SKU, YVU, IIIT, Idupulapaya etc., and several autonomous colleges like KSRMCE, Kadapa, Adi Shankara College of Engineering, Guduru, Chadawalawada Ramanamma Engineering College, Tirupati etc.,
