To

**The Principals of all Constituent and Affiliated Colleges of JNTUA
The Director, OTPRI, JNTUA**

Dear Sir/Madam,

Sub: JNTUA Placement Portal – Student database module - 2020 batch - Regarding.

The University has developed a common Training & Placement Portal (www.jntuaplacements.ac.in) for all the constituent & affiliated colleges under JNTUA to have an effective process of communication with the institutions and students. The training & placement officers of respective institutions have already registered in the newly created JNTUA placement portal (www.jntuaplacements.ac.in) and uploaded training & placement activities of the respective institutions for the last three academic years.

Further, a student database module has been developed and integrated in to the portal. Hence, you are requested to instruct the respective Placement officers to login using the credentials already provided and upload student details as per the instructions provided in the portal. Student database management facility will be enabled for placement officers once student details are uploaded successfully in the portal.

Hence, you are informed to give personal attention and instruct placement officers to ensure submission of student details successfully in the portal by **20th July, 2019.**

In case of any difficulty/queries, please contact Prof. V. Sumalatha, Director of Industrial Relations & Placements, JNTUA:
