About JNTUA College of Engineering

JNTUA College of Engineering (Autonomous) Ananthapuramu, an esteemed engineering college in Andhra Pradesh, was established in 1946 and has been growing continuously in size with respect to intake, faculty strength, number of academic programs offered and infrastructure. Now it is one of the constituent colleges of JNTUA.

About the Department of Humanities

The Department of Humanities and Social Sciences was established as an Independent Functionary one since 1976. The Department has been catering to the steadily growing and diversifying requirements of all the branches of Engineering. The Department always aims to remain like a beacon in leading students to the path of noble deeds, aspirations and truth. It is always committed to offer value added instruction to widen the horizon of vision for the enrichment of analytical tools, conceptual, managerial, as well as, interpersonal communication skills.

About the Workshop

In the current scenario, research plays a vital role in all fields. The progress of a nation depends on the research and development. Ethics is the practice of values and morals that researchers should honor to uphold the trust that the organizations have in them. Research ethics are the moral principles which involve doing the right thing at the right time.

Though knowledge of research methodology and publication is significant, research and publication ethics are the most essential elements for academicians and professionals for their career growth. Hence, the UGC has made it mandatory for PhD students to study new courses in publication ethics and misconduct as

pre-registration course work.

This FDP aims to provide knowledge regarding modern research, publication and misconduct to the faculty and research scholars.

Objectives of the workshop:

1. To provide research orientation of faculty members and researchers.
2. To equip them with knowledge of advanced research methods
3. To help them publish original ideas in a standard format
4. To create an understanding of publication misconduct
5. To inculcate an awareness on various plagiarism tools

Major topics to be covered in this workshop include

- Philosophy & Ethics
- Intellectual Honesty & Research Integrity
- Research Methods
- Open Access Publications & Initiatives
- Publication Ethics
- Publication Misconduct
- Database and Research Metrics

How to reach Ananthapuramu

Bangalore is the nearest airport, and is situated at a distance of 210 km from Anantapur. Anantapur is well connected by rail and road. Trains for various major routes are available from this station. Ananthapuramu is connected by National Highway (NH-44) between Bangalore and Hyderabad.

Resource Persons

Resource persons are identified from reputed IITs, Central and State-level Universities.

Target Audience:

Research Scholars & Faculty members

VENUE

Seminar Hall, Civil Engg.Dept.
JNTUACEA, Anantapur.

COURSE FEE: NIL

How to Apply

Interested and eligible candidates willing to attend the course may apply by submitting the hard copy of the filled in registration form given in this brochure.

Accommodation & Boarding:

There are maximum 30 seats for outstation participants. Outstation participants will be provided free accommodation and boarding at JNTUA guesthouse/ .

Accommodation for the outstation participants will be arranged on first come first serve basis.

Filled in applications (Hard copy) may be sent to the following address:
