Bikaner Technical University, Bikaner, Rajasthan**

About JNTUA College of Engineering (Autonomous) Ananthapuramu

JNTUA College of Engineering (Autonomous) Ananthapuramu, an esteemed Engineering college in Andhra Pradesh was established in 1946 and has been growing continuously in size with respect to intake, faculty strength, number of academic programs offered and infrastructure. It is always committed to offer value added instruction to widen the horizon of vision for the enrichment of Technical education along with skill development.

About University College of Engineering & Technology, BTU, Bikaner

University College of Engineering and Technology (UCET) Bikaner is constituent college of Bikaner Technical University (BTU). Before becoming constituent college of BTU it was known as Govt. College of Engineering and Technology (GCET). It was established in 2007, as an autonomous body of Govt. of Rajasthan, amidst the brown blooms of desert island, Bikaner. Bikaner Technical University was established in 2017 and soon after that UCET became its constituent college. It has made its mark by inspiring quality education

About the Workshop

The students pursuing professional courses need to prepare themselves for their careers which may require them to work in groups or teams in doing project works, design posters, prepare PPTs while working with their teams in their colleges. Here they are involved in sharing their ideas with one another. This kind of work environment enhances the performance of the students and to inculcate team culture among them this workshop has been planned.

The workshop aspires to instill the sense that none of us is as strong as all of us and we can accomplish any great task only when we work as a team. The talks will focus on the knowhow needed for building teams and nurturing team spirit.

Objectives of the Workshop

- To train the young minds to work in groups effectively
- To make them know and appreciate importance of working in teams
- To make them synergize their talents and achieve more in team work
- To make them capable of holding their emotions and inculcating team spirit
- To enhance their performance in collaborative work.

Major topics to be covered

- Understanding the importance of Teamwork skills
- Interpersonal Skills
- Emotional Intelligence
- Group Dynamics
