## About JNTUA College of Engineering, (Autonomous) Ananthapuramu

JNTUA College of Engineering (Autonomous) Ananthapuramu, an esteemed engineering college in Andhra Pradesh, was established in 1946 and has been growing continuously in size with respect to intake, faculty strength, number of academic programs offered and infrastructure. It is always committed to offer value added instruction to widen the horizon of vision for the enrichment of Technical education along with skill development.

Now it is one of the constituent colleges of Jawaharlal Nehru Technological University Anantapur, Ananthapuramu, Andhra Pradesh.

### About the Department of Humanities

The Department of Humanities and Social Sciences was established as an Independent Functionary unit since 1976. The Department has been catering to the steadily growing and diversifying requirements of all the branches of Engineering. The Department always aims to remain like a beacon in leading students to the path of noble deeds, aspirations and truth. It is always committed to offer value added instruction to widen the horizon of vision for the enrichment of analytical tools, conceptual, managerial, as well as, interpersonal communication skills.

## About the FDP

This FDP aims to provide knowledge to faculty members regarding significance of the student induction program and learn how to improve the motivational levels of the students. The main objective of this program is to make sure that the newly joined first-year B.Tech students feel comfortable on campus and to develop them holistically by providing training in all aspects of life. For this, training the faculty members on how to mentor students based on universal human values is the need of the hour.

### Objectives of the workshop:

- To understand and manage one's emotions.
- To inculcate human values for a harmonious existence
- To enhance workplace relationships.
- To make them synergize their talents and achieve
- Organizational objectives
- To improve the service towards contribution to society
- To create positive social interactions
- To achieve career and personal goals
