ATAL Academy:

AICTE Training and Learning (ATAL) Academy is established with the vision “To empower faculty to achieve goals of Higher Education such as access, equity and quality”. AICTE is committed for development of quality technical education in the country by initiating various schemes launched by Govt. of India, Ministry of Human Resource Development. Council understand that there is a need to train the young generation in skill sector and having faculty & technicians to be trained in their respective disciplines. Training is required for increasing the knowledge and skills of students to make them more employable to acquire global competencies

About JNTUA College of Engineering, (Autonomous) Ananthapuramu

JNTUA College of Engineering (Autonomous) Ananthapuramu, an esteemed engineering college in Andhra Pradesh, was established in 1946 and has been growing continuously in size with respect to intake, faculty strength, number of academic programs offered and infrastructure. It is always committed to offer value added instruction to widen the horizon of vision for the enrichment of Technical education along with skill development.

Now it is one of the constituent colleges of Jawaharlal Nehru Technological University Anantapur, Ananthapuramu, Andhra Pradesh.

About the Department of Humanities

The Department of Humanities and Social Sciences

was established as an Independent Functionary unit since 1976. The Department has been catering to the steadily growing and diversifying requirements of all the branches of Engineering. The Department always aims to remain like a beacon in leading students to the path of noble deeds, aspirations and truth. It is always committed to offer value added instruction to widen the horizon of vision for the enrichment of analytical tools, conceptual, managerial, as well as, interpersonal communication skills.

About the FDP

“The Leaders are not born. They are made,” the statement is not always true. There are some exceptional cases, few people are born with inborn talents which influence to be and become leaders. But in current competitive professional world, everybody has to learn all the necessary talents and master it in order to be on par with global standards.

This FDP aims to upgrade teaching, training, communication and leadership skills in the faculty. The program enables participants to develop an appreciation for the changing roles & responsibilities of the teachers and to prepare for the same.

Objectives of the workshop:

1. To inculcate passion for developing leadership skills among teachers.
2. To equip them with critical thinking.
3. To improve self-awareness & self-motivation.
4. To help them to develop reflective practices.
5. To make them aware of positive attitude in life.
6. To upgrade pedagogy educational technology.

Major Course Contents

1. Emotional Intelligence
2. Relationship Management
3. Team Building
4. Stress Management
5. Leadership Ability
6. Health and happiness
7. Social Skills
8. Human Values & Ethics
9. Interpersonal skills
10. Decision Making Skills
11. Problem Solving
12. Time Management
