**Students' place of option for IV Year II Semester End Examinations**

In view of COVID-19 pandemic, the university has taken a decision not to implement jumbling for B.Tech and B.Pharm IV Year II Semester regular examinations scheduled in the month of July 2021 and students have to write the examinations at their parent institutions only.

However, the university has given an option to the students to choose the nearest place from their residential address to write the examinations with the consent of the Principal of the college concerned but it is not permitted to the students whose parent institute district and native district are same. Therefore, the Principals are requested to verify the address of the students with their address proof like Aadhaar card, etc., if any student of their college gives an option of any place other than the parent institution to write examination.

The Principal has to submit a mail to CE (UG) with all the details like the name of the student, admission number, place opted for writing the examination, course of study and branch, etc. Principal are further requested to check/verify the details carefully before sending the data of the students to the examination branch of the University.

**Please send the data on or before 07.07.2021 by 5PM.**

Email address of CE(UG): [ce@jntua.ac.in](mailto:ce@jntua.ac.in)
