

**Park Controls & Communications (P) Ltd., Bangalore, Recruitment Drive at JNTUA, on 9<sup>th</sup> and 10<sup>th</sup> January, 2017**

Park Controls & Communications (P) Ltd., Bangalore ([www.parkcontrols.com](http://www.parkcontrols.com)) is visiting JNTUA, Ananthapuramu for pool drive. As already intimated to the Principals of all the Constituent and Affiliated Colleges of JNTUA last month, all the M.Tech students (who can join the company immediately if selected) with B.Tech from EEE, ECE, & CSE and 70% of marks are eligible for this drive.

Such students are requested to register at the office of the Director, Industrial Relations & Placements, JNTUA on 9/01/2017 from 10.00 am to 11.30 am. After verification, the short listed candidates (about 50) will be allowed for company presentation, written test and interviews on 10/01/2017 from 9.00 am onwards. List of the selected candidates is expected by the evening of 10/01/2017.

**Details of Written Test:**

The written test consists of the following 4 sections, each having 40 questions. The candidate can select any two sections to answer. Candidates are not required to attempt all four sections.

- Section 1. C-programming, Data Structures and Computer Architecture
- Section 2. Digital Electronics
- Section 3. General Electronics and Electrical Engineering Fundamentals
- Section 4. Signal processing, Communications and Control Systems

The test is of objective type, with multiple choice questions. There is a negative marking of 0.25 marks for wrong answers, while correct answers carry one mark. The candidates are advised to prepare well in the subjects of their choice, as the test is non-trivial. No mobile phones will be allowed, and candidates have to use their own pens to mark answers on the answer sheet provided.

All the Principals are requested to kindly intimate this to the eligible candidates.
