Online Education

| | |
|---|--|
| 1. Does all programs/courses were completed on time. | Yes |
| 2. Measures taken to complete the syllabus of courses and programs. | <p>The covid-19 pandemic has brought in sweeping changes in all walks of life forcing people to shift to a digital way of life and higher education is no exception for this. The entire teaching learning process has changed to online mode. The University has effectively utilized ICT tools for teaching learning process. The online resource platforms were used for teaching the theory courses and all the students and faculty of the University are provided with Microsoft Teams Account. Lab classes were conducted with live demonstrations and recorded sessions. Exploring the possibility, blended mode of learning is implemented for classwork as and when feasible. Classwork and examinations are conducted offline in a phased manner following covid protocols. The syllabus of all the courses of all undergraduate and postgraduate programs were completed as per the academic schedule even during the pandemic time. Though there were little challenges initially in shifting to online mode, the University could come up with the required digital infrastructure and other facilities in a quick span of time and made online education effective for both students and faculty.</p> <p>The University has taken up the task of developing e-content, as per its curriculum, by the experts in the field with an objective to provide equity and access to professional education for the student community especially for the students with rural background, enabling them to learn the subject in their own time and at their own pace.</p> <p>The University has built a domain-driven solution, powered by microservices. JNTUA is one of the early adopters of microservices, which allowed to quickly implement various features needed for conducting and evaluating exams online. The services can scale in the cloud without any human efforts, supporting millions of simultaneous users. In the final quarter of 2021, the University conducted several mid-term examinations online as a pilot project. The University is planning to add more features to its online evaluation system.</p> <p>Motivating faculty, online classroom interactions, counselling sessions, upskilling, continuous assessments, regular feedback from stakeholders are some of the important measures taken to engage students & faculty in online teaching learning process. The University is putting all its efforts in ensuring a transparent and efficient education process.</p> |
