

**List of M.Tech., Courses offered at Constituent Colleges of JNT University Anantapur, Ananthapuramu
for the academic year 2022-23**

TUITION FEE PARTICULARS

I. JNTUA College of Engineering, Ananthapuramu

| S.No | Title of the PG course specialization | Department | Course type | Sponsored seats | Tuition fee per semester(Rs.) |
|------|---|---|--------------|-----------------|-------------------------------|
| 1 | Structural Engineering | Civil Engineering | Regular | 7 | 30,000 |
| 2 | Computer Aided Structural Engineering | Civil Engineering | Regular | 7 | 30,000 |
| 3 | Environmental Engineering | Civil Engineering | Self-Finance | 7 | 50,000 |
| 4 | Bridge and Tunnel Engineering | Civil Engineering | Self-Finance | 7 | 50,000 |
| 5 | Electrical Power Systems | Electrical and Electronics Engineering | Regular | 7 | 30,000 |
| 6 | Control Systems | Electrical and Electronics Engineering | Regular | 7 | 30,000 |
| 7 | Power and Industrial Drives | Electrical and Electronics Engineering | Regular | 7 | 30,000 |
| 8 | Reliability Engineering | Electrical and Electronics Engineering | Self-Finance | 7 | 50,000 |
| 9 | Refrigeration and Air Conditioning | Mechanical Engineering | Regular | 7 | 30,000 |
| 10 | Energy Systems | Mechanical Engineering | Regular | 7 | 30,000 |
| 11 | Advance Manufacturing Systems | Mechanical Engineering | Self-Finance | 7 | 50,000 |
| 12 | Internal Combustion Engineering | Mechanical Engineering | Self-Finance | 7 | 50,000 |
| 13 | Digital Electronics and Communication Systems | Electronics and Communication Engineering | Regular | 7 | 30,000 |
| 14 | VLSI System Design | Electronics and Communication Engineering | Self-Finance | 7 | 50,000 |
| 15 | Internet of Things*1 | Electronics and Communication Engineering | Self-Finance | 7 | 50,000 |
| 16 | Defence Technology*2 | Electronics and Communication Engineering | Self-Finance | 7 | 50,000 |
| 17 | Computer Science | Computer Science and Engineering | Regular | 7 | 30,000 |
| 18 | Software Engineering | Computer Science and Engineering | Regular | 7 | 30,000 |
| 19 | Artificial Engineering | Computer Science and Engineering | Self-Finance | 7 | 50,000 |
| 20 | Nano Technology | Chemical Engineering | Self-Finance | 7 | 50,000 |
| 21 | Pharmaceuticals and Fine Chemical Technology | Chemical Engineering | Self-Finance | 7 | 50,000 |

***1.Collaboration program with M/s. Efftronics Systems Private Limited, Vijayawada. Students admitted in M.Tech (IoT) have to do their internship/ project for two semesters at M/s. Efftronics Systems Private Limited, Vijayawada.**

***2. Collaboration program with DRDO**

II. JNTUA College of Engineering, Pulivendula

| S.No | Title of the PG course specialization | Department | Course type | Sponsored seats | Tuition fee per semester(Rs.) |
|------|---|---|--------------|-----------------|-------------------------------|
| 1 | Electrical Power Systems | Electrical & Electronics Engineering | Self finance | 7 | 50,000 |
| 2 | CAD/CAM | Mechanical Engineering | Self finance | 7 | 50,000 |
| 3 | Digital Electronics & Communication Systems | Electronics & Communication Engineering | Self finance | 7 | 50,000 |
| 4 | Computer Science & Engineering | Computer Science & Engineering | Self finance | 7 | 50,000 |

List of M.Sc., Courses offered at Constituent College of JNT University Anantapur, Ananthapuramu for the academic year 2022-23

III. JNTUA-OTPRI

| S.No | Title of the PG course specialization | Department | Course type | Sponsored seats | Tuition fee per semester(Rs.) |
|------|---------------------------------------|-----------------|---------------|-----------------|-------------------------------|
| 1 | Food Technology | Food Technology | Self financed | 7 | 30,000 |
| 2 | Food Technology and Management | Food Technology | Self financed | 7 | 30,000 |
