Vice Principal & Controller of Examinations

**Annual Report of JNTUA College of Engineering (Autonomous)
Anantapur Examinations for the Academic Year 2017-18**

JNTUA College of Engineering Anantapur has UGC Autonomy. Conduction of examination (UG & PG) is a whole and sole responsibility of the Academic Section of the College. The Academic Section is headed by Vice Principal assisted by two Deputy Controller of Examinations along with office subordinates. The whole examination process will be under taken with the support of Examination Management System (EMS) Software. As per the Academic Calendar, Examination notification were issued for inviting examination registrations from the concerned students and the same notification was placed in the college website. The Examination Fee was collected through SBI Collect (Online). After the finalization of the eligible students as per the academic guidelines, the data of the students was uploaded in the EMS Software and the Hall Tickets of the respective examination was generated through EMS software. At the end of the semester, the students attendance was finalized and the list of students whose attendance has to be condoned and the list of detained students was approved by the College Academic Committee (CAC), before issue of Hall tickets.

Based on the BoS approved course structure and subjects of respective semester, the experts for preparing the question papers was identified from the panel of examiners with prior approval of the Principal. Two sets of Question Papers in each subject were prepared by the concerned subject experts. Out of two sets of question papers, one set of question papers was selected before 30 minutes of scheduled time of examination by the Chief Superintendent. The selected set of question paper was printed and distributed to the students in the respective examination halls. After completion of all the end semester examinations, the Principal approved one of the spot centre from the panel of University colleges / Autonomous affiliated colleges for evaluation of answer scripts. The evaluated answer scripts were scrutinized by the teaching staff of the college. The finalized internal marks along with laboratory marks received from the respective departments were entered in EMS Software and the results were processed in the presence of Chief Superintendent, Controller of Examination and Deputy Controller of Examinations. The results were declared after approval by the College Results Committee and the same was published in college website for the students. The results were declared within two weeks from the completion of the end semester examinations. The students' grievance in the declared results was addressed by inviting applications from the concerned students by recounting notification within a day of declaration of examination results. Any changes of marks in the recounting process were

Annual Report of the JNTUA College of Engineering (Autonomous) Pulivendula Examinations 2017-18

JNTUA College of Engineering Pulivendula got Academic Autonomy in the year 2013 by JNT University, Anantapuramu. Conduction of examination (UG & PG) is whole and sole responsibility of the Academic Section of the College. The Academic Section is headed by Vice Principal followed by two Deputy Controller of Examinations along with supporting staff. The whole examination process will be supported by Examination Management System (EMS) Software. As per the Academic Calendar, Examination notification will be issued for inviting examinations applications from the concerned students and the same notification will be placed in the college website. The Examination Fee will be collected through SBI Collect (Online). After the finalization of the eligible students, the data of the students will be uploaded in the EMS Software and the Hall Tickets of the respective examination will be generated by the software. After finalization of semester end attendance the detention and condonation list of students will be approved by the college Academic Council (CAC).

After finalization of semester subjects, the question paper setter will be identified and the same will be approved by the Principal of the college. For each subject there will be two sets of Question Papers prepared by the concerned subject experts. As per the instruction from the Principal, the concerned set of question papers will be printed and distributed in the respective examination halls. After completion of all the end semester examinations for valuation purpose, list of surrounding university and Autonomous colleges will be prepared. By the approval of the principal, one of the spot center will be identified and the answer scripts will be evaluated. The evaluated answer scripts will be scrutinised by the supporting staff of the Academic Section. Finalized Internal marks along with Practical Laboratory marks will be entered into the EMS Software and the results are processed in the presence of Principal, Vice Principal and Deputy Controller of Examinations. The results will be approved by the college Results Committee and the same will be uploaded in college website. The results will be declared within two weeks from the completion of the end semester examinations. The students can check their results by entering their Roll Number along with the date of Birth. Immediately recounting notification will be issued and recounting process will be initiated by the request from the students. The same will be reflected in the published results. In the beginning of the next semester, the open electives and Professional Elective Subjects will be opted by the students with the help of google form which was made available on the college website. **The following were appeared final year students in different programs for the year 2017-18.**

Annual Report of the University (CEK, OTPRI & SMS) Examinations 2017-18

Conduction of university examinations is an important and crucial task which will reflect kind evaluation and image of the University. Conduction of examination (UG & PG) is whole and sole responsibility of the Examination Branch of the University. The Examination branch is headed by Director of Evaluation, Controller of Examinations followed by Additional Controller of Examinations along with supporting staff. The whole examination process will be supported by Examination Management System (EMS) Software. As per the Academic Calendar, Examination notification will be issued for inviting examinations applications from the concerned students and the same notification will be placed in the college website. The Examination Fee will be collected through SBI Collect (Online). After the finalization of the eligible students, the data of the students will be uploaded in the EMS Software and the Hall Tickets of the respective examination will be generated by the software. After finalization of semester end attendance the detention and condonation list of students will be approved by the concern college Academic Councils (CAC).

For the approved BOS semester subjects, the question paper setter will be identified from the panel of experts and the same will be approved by the DE/CoE. For each subject there will be two sets of Question Papers prepared by the concerned subject experts. As per the instruction from the DE/CoE, the concerned set of question papers will be printed and distributed in the respective examination halls during the external examinations. After completion of all the end semester examinations, spot valuation shall be conducted at the University level by drafting of subject experts from the panel list approved by DE/CoE. The evaluated answer scripts will be scrutinised by the supporting staff of the Examination. Finalized Internal marks along with Practical Laboratory marks will be entered into the EMS Software and the results are processed in the close monitoring of DE/CoE. The results will be declared after convene Results Committee and the same will be uploaded in University website for students visibility. The results will be declared within two weeks from the completion of the end semester examinations. The students can check their results by entering their Roll Number along with the date of Birth. After declaration of results, recounting notification will be issued and students can claim and submit request to CoE if any grievance in the evaluation by recounting/ re-valuation process. If any changes occurred, the published result will be updated results.

Vice Principal & Controller of Examinations

**Annual Report of JNTUA College of Engineering (Autonomous)
Anantapur Examinations for the Academic Year 2018-19**

JNTUA College of Engineering Anantapur has UGC Autonomy. Conduction of examination (UG & PG) is a whole and sole responsibility of the Academic Section of the College. The Academic Section is headed by Vice Principal assisted by two Deputy Controller of Examinations along with office subordinates. The whole examination process will be under taken with the support of Examination Management System (EMS) Software. As per the Academic Calendar, Examination notification were issued for inviting examination registrations from the concerned students and the same notification was placed in the college website. The Examination Fee was collected through SBI Collect (Online). After the finalization of the eligible students as per the academic guidelines, the data of the students was uploaded in the EMS Software and the Hall Tickets of the respective examination was generated through EMS software. At the end of the semester, the students attendance was finalized and the list of students whose attendance has to be condoned and the list of detained students was approved by the College Academic Committee (CAC), before issue of Hall tickets.

Based on the BoS approved course structure and subjects of respective semester, the experts for preparing the question papers was identified from the panel of examiners with prior approval of the Principal. Two sets of Question Papers in each subject were prepared by the concerned subject experts. Out of two sets of question papers, one set of question papers was selected before 30 minutes of scheduled time of examination by the Chief Superintendent. The selected set of question paper was printed and distributed to the students in the respective examination halls. After completion of all the end semester examinations, the Principal approved one of the spot centre from the panel of University colleges / Autonomous affiliated colleges for evaluation of answer scripts. The evaluated answer scripts were scrutinized by the teaching staff of the college. The finalized internal marks along with laboratory marks received from the respective departments were entered in EMS Software and the results were processed in the presence of Chief Superintendent, Controller of Examination and Deputy Controller of Examinations. The results were declared after approval by the College Results Committee and the same was published in college website for the students. The results were declared within two weeks from the completion of the end semester examinations. The students' grievance in the declared results was addressed by inviting applications from the concerned students by recounting notification within a day of declaration of examination results. Any changes of marks in the recounting process were

Annual Report of the JNTUA College of Engineering (Autonomous) Pulivendula Examinations 2018-19

JNTUA College of Engineering Pulivendula got Academic Autonomy in the year 2013 by JNT University, Anantapuramu. Conduction of examination (UG & PG) is whole and sole responsibility of the Academic Section of the College. The Academic Section is headed by Vice Principal followed by two Deputy Controller of Examinations along with supporting staff. The whole examination process will be supported by Examination Management System (EMS) Software. As per the Academic Calendar, Examination notification will be issued for inviting examinations applications from the concerned students and the same notification will be placed in the college website. The Examination Fee will be collected through SBI Collect (Online). After the finalization of the eligible students, the data of the students will be uploaded in the EMS Software and the Hall Tickets of the respective examination will be generated by the software. After finalization of semester end attendance the detention and condonation list of students will be approved by the college Academic Council (CAC).

After finalization of semester subjects, the question paper setter will be identified and the same will be approved by the Principal of the college. For each subject there will be two sets of Question Papers prepared by the concerned subject experts. As per the instruction from the Principal, the concerned set of question papers will be printed and distributed in the respective examination halls. After completion of all the end semester examinations for valuation purpose, list of surrounding university and Autonomous colleges will be prepared. By the approval of the principal, one of the spot center will be identified and the answer scripts will be evaluated. The evaluated answer scripts will be scrutinised by the supporting staff of the Academic Section. Finalized Internal marks along with Practical Laboratory marks will be entered into the EMS Software and the results are processed in the presence of Principal, Vice Principal and Deputy Controller of Examinations. The results will be approved by the college Results Committee and the same will be uploaded in college website. The results will be declared within two weeks from the completion of the end semester examinations. The students can check their results by entering their Roll Number along with the date of Birth. Immediately recounting notification will be issued and recounting process will be initiated by the request from the students. The same will be reflected in the published results. In the beginning of the next semester, the open electives and Professional Elective Subjects will be opted by the students with the help of google form which was made available on the college website. **The following were appeared final year students in different programs for the year 2018-19.**

Annual Report of the University (CEK, OTPRI & SMS) Examinations 2018-19

Conduction of university examinations is an important and crucial task which will reflect kind evaluation and image of the University. Conduction of examination (UG & PG) is whole and sole responsibility of the Examination Branch of the University. The Examination branch is headed by Director of Evaluation, Controller of Examinations followed by Additional Controller of Examinations along with supporting staff. The whole examination process will be supported by Examination Management System (EMS) Software. As per the Academic Calendar, Examination notification will be issued for inviting examinations applications from the concerned students and the same notification will be placed in the college website. The Examination Fee will be collected through SBI Collect (Online). After the finalization of the eligible students, the data of the students will be uploaded in the EMS Software and the Hall Tickets of the respective examination will be generated by the software. After finalization of semester end attendance the detention and condonation list of students will be approved by the concern college Academic Councils (CAC).

For the approved BOS semester subjects, the question paper setter will be identified from the panel of experts and the same will be approved by the DE/CoE. For each subject there will be two sets of Question Papers prepared by the concerned subject experts. As per the instruction from the DE/CoE, the concerned set of question papers will be printed and distributed in the respective examination halls during the external examinations. After completion of all the end semester examinations, spot valuation shall be conducted at the University level by drafting of subject experts from the panel list approved by DE/CoE. The evaluated answer scripts will be scrutinised by the supporting staff of the Examination. Finalized Internal marks along with Practical Laboratory marks will be entered into the EMS Software and the results are processed in the close monitoring of DE/CoE. The results will be declared after convene Results Committee and the same will be uploaded in University website for students visibility. The results will be declared within two weeks from the completion of the end semester examinations. The students can check their results by entering their Roll Number along with the date of Birth. After declaration of results, recounting notification will be issued and students can claim and submit request to CoE if any grievance in the evaluation by recounting/ re-valuation process. If any changes occurred, the published result will be updated results.

Vice Principal & Controller of Examinations

**Annual Report of JNTUA College of Engineering (Autonomous)
Anantapur Examinations for the Academic Year 2019-20**

JNTUA College of Engineering Anantapur has UGC Autonomy. Conduction of examination (UG & PG) is a whole and sole responsibility of the Academic Section of the College. The Academic Section is headed by Vice Principal assisted by two Deputy Controller of Examinations along with office subordinates. The whole examination process will be under taken with the support of Examination Management System (EMS) Software. As per the Academic Calendar, Examination notification were issued for inviting examination registrations from the concerned students and the same notification was placed in the college website. The Examination Fee was collected through SBI Collect (Online). After the finalization of the eligible students as per the academic guidelines, the data of the students was uploaded in the EMS Software and the Hall Tickets of the respective examination was generated through EMS software. At the end of the semester, the students attendance was finalized and the list of students whose attendance has to be condoned and the list of detained students was approved by the College Academic Committee (CAC), before issue of Hall tickets.

Based on the BoS approved course structure and subjects of respective semester, the experts for preparing the question papers was identified from the panel of examiners with prior approval of the Principal. Two sets of Question Papers in each subject were prepared by the concerned subject experts. Out of two sets of question papers, one set of question papers was selected before 30 minutes of scheduled time of examination by the Chief Superintendent. The selected set of question paper was printed and distributed to the students in the respective examination halls. After completion of all the end semester examinations, the Principal approved one of the spot centre from the panel of University colleges / Autonomous affiliated colleges for evaluation of answer scripts. The evaluated answer scripts were scrutinized by the teaching staff of the college. The finalized internal marks along with laboratory marks received from the respective departments were entered in EMS Software and the results were processed in the presence of Chief Superintendent, Controller of Examination and Deputy Controller of Examinations. The results were declared after approval by the College Results Committee and the same was published in college website for the students. The results were declared within two weeks from the completion of the end semester examinations. The students' grievance in the declared results was addressed by inviting applications from the concerned students by recounting notification within a day of declaration of examination results. Any changes of marks in the recounting process were

Annual Report of the JNTUA College of Engineering (Autonomous) Pulivendula Examinations 2019-20

JNTUA College of Engineering Pulivendula got Academic Autonomy in the year 2013 by JNT University, Anantapuramu. Conduction of examination (UG & PG) is whole and sole responsibility of the Academic Section of the College. The Academic Section is headed by Vice Principal followed by two Deputy Controller of Examinations along with supporting staff. The whole examination process will be supported by Examination Management System (EMS) Software. As per the Academic Calendar, Examination notification will be issued for inviting examinations applications from the concerned students and the same notification will be placed in the college website. The Examination Fee will be collected through SBI Collect (Online). After the finalization of the eligible students, the data of the students will be uploaded in the EMS Software and the Hall Tickets of the respective examination will be generated by the software. After finalization of semester end attendance the detention and condonation list of students will be approved by the college Academic Council (CAC).

After finalization of semester subjects, the question paper setter will be identified and the same will be approved by the Principal of the college. For each subject there will be two sets of Question Papers prepared by the concerned subject experts. As per the instruction from the Principal, the concerned set of question papers will be printed and distributed in the respective examination halls. After completion of all the end semester examinations for valuation purpose, list of surrounding university and Autonomous colleges will be prepared. By the approval of the principal, one of the spot center will be identified and the answer scripts will be evaluated. The evaluated answer scripts will be scrutinised by the supporting staff of the Academic Section. Finalized Internal marks along with Practical Laboratory marks will be entered into the EMS Software and the results are processed in the presence of Principal, Vice Principal and Deputy Controller of Examinations. The results will be approved by the college Results Committee and the same will be uploaded in college website. The results will be declared within two weeks from the completion of the end semester examinations. The students can check their results by entering their Roll Number along with the date of Birth. Immediately recounting notification will be issued and recounting process will be initiated by the request from the students. The same will be reflected in the published results. In the beginning of the next semester, the open electives and Professional Elective Subjects will be opted by the students with the help of google form which was made available on the college website. **The following were appeared final year students in different programs for the year 2019-20.**

Controller of Examinations

Annual Report of the University (CEK, OTPRI & SMS) Examinations 2019-20

Conduction of university examinations is an important and crucial task which will reflect kind evaluation and image of the University. Conduction of examination (UG & PG) is whole and sole responsibility of the Examination Branch of the University. The Examination branch is headed by Director of Evaluation, Controller of Examinations followed by Additional Controller of Examinations along with supporting staff. The whole examination process will be supported by Examination Management System (EMS) Software. As per the Academic Calendar, Examination notification will be issued for inviting examinations applications from the concerned students and the same notification will be placed in the college website. The Examination Fee will be collected through SBI Collect (Online). After the finalization of the eligible students, the data of the students will be uploaded in the EMS Software and the Hall Tickets of the respective examination will be generated by the software. After finalization of semester end attendance the detention and condonation list of students will be approved by the concern college Academic Councils (CAC).

For the approved BOS semester subjects, the question paper setter will be identified from the panel of experts and the same will be approved by the DE/CoE. For each subject there will be two sets of Question Papers prepared by the concerned subject experts. As per the instruction from the DE/CoE, the concerned set of question papers will be printed and distributed in the respective examination halls during the external examinations. After completion of all the end semester examinations, spot valuation shall be conducted at the University level by drafting of subject experts from the panel list approved by DE/CoE. The evaluated answer scripts will be scrutinised by the supporting staff of the Examination. Finalized Internal marks along with Practical Laboratory marks will be entered into the EMS Software and the results are processed in the close monitoring of DE/CoE. The results will be declared after convene Results Committee and the same will be uploaded in University website for students visibility. The results will be declared within two weeks from the completion of the end semester examinations. The students can check their results by entering their Roll Number along with the date of Birth. After declaration of results, recounting notification will be issued and students can claim and submit request to CoE if any grievance in the evaluation by recounting/ re-valuation process. If any changes occurred, the published result will be updated results.

Vice Principal & Controller of Examinations

Annual Report of JNTUA College of Engineering (Autonomous)
Anantapur Examinations for the Academic Year 2020-21

JNTUA College of Engineering Anantapur has UGC Autonomy. Conduction of examination (UG & PG) is a whole and sole responsibility of the Academic Section of the College. The Academic Section is headed by Vice Principal assisted by two Deputy Controller of Examinations along with office subordinates. The whole examination process will be under taken with the support of Examination Management System (EMS) Software. As per the Academic Calendar, Examination notification were issued for inviting examination registrations from the concerned students and the same notification was placed in the college website. The Examination Fee was collected through SBI Collect (Online). After the finalization of the eligible students as per the academic guidelines, the data of the students was uploaded in the EMS Software and the Hall Tickets of the respective examination was generated through EMS software. At the end of the semester, the students attendance was finalized and the list of students whose attendance has to be condoned and the list of detained students was approved by the College Academic Committee (CAC), before issue of Hall tickets.

Based on the BoS approved course structure and subjects of respective semester, the experts for preparing the question papers was identified from the panel of examiners with prior approval of the Principal. Two sets of Question Papers in each subject were prepared by the concerned subject experts. Out of two sets of question papers, one set of question papers was selected before 30 minutes of scheduled time of examination by the Chief Superintendent. The selected set of question paper was printed and distributed to the students in the respective examination halls. After completion of all the end semester examinations, the Principal approved one of the spot centre from the panel of University colleges / Autonomous affiliated colleges for evaluation of answer scripts. The evaluated answer scripts were scrutinized by the teaching staff of the college. The finalized internal marks along with laboratory marks received from the respective departments were entered in EMS Software and the results were processed in the presence of Chief Superintendent, Controller of Examination and Deputy Controller of Examinations. The results were declared after approval by the College Results Committee and the same was published in college website for the students. The results were declared within two weeks from the completion of the end semester examinations. The students' grievance in the declared results was addressed by inviting applications from the concerned students by recounting notification within a day of declaration of examination results. Any changes of marks in the recounting process were

Annual Report of the JNTUA College of Engineering (Autonomous) Pulivendula Examinations 2020-21

JNTUA College of Engineering Pulivendula got Academic Autonomy in the year 2013 by JNT University, Anantapuramu. Conduction of examination (UG & PG) is whole and sole responsibility of the Academic Section of the College. The Academic Section is headed by Vice Principal followed by two Deputy Controller of Examinations along with supporting staff. The whole examination process will be supported by Examination Management System (EMS) Software. As per the Academic Calendar, Examination notification will be issued for inviting examinations applications from the concerned students and the same notification will be placed in the college website. The Examination Fee will be collected through SBI Collect (Online). After the finalization of the eligible students, the data of the students will be uploaded in the EMS Software and the Hall Tickets of the respective examination will be generated by the software. After finalization of semester end attendance the detention and condonation list of students will be approved by the college Academic Council (CAC).

After finalization of semester subjects, the question paper setter will be identified and the same will be approved by the Principal of the college. For each subject there will be two sets of Question Papers prepared by the concerned subject experts. As per the instruction from the Principal, the concerned set of question papers will be printed and distributed in the respective examination halls. After completion of all the end semester examinations for valuation purpose, list of surrounding university and Autonomous colleges will be prepared. By the approval of the principal, one of the spot center will be identified and the answer scripts will be evaluated. The evaluated answer scripts will be scrutinised by the supporting staff of the Academic Section. Finalized Internal marks along with Practical Laboratory marks will be entered into the EMS Software and the results are processed in the presence of Principal, Vice Principal and Deputy Controller of Examinations. The results will be approved by the college Results Committee and the same will be uploaded in college website. The results will be declared within two weeks from the completion of the end semester examinations. The students can check their results by entering their Roll Number along with the date of Birth. Immediately recounting notification will be issued and recounting process will be initiated by the request from the students. The same will be reflected in the published results. In the beginning of the next semester, the open electives and Professional Elective Subjects will be opted by the students with the help of google form which was made available on the college website. **The following were appeared final year students in different programs for the year 2020-21.**

Annual Report of the University (CEK, OTPRI & SMS) Examinations 2020-21

Conduction of university examinations is an important and crucial task which will reflect kind evaluation and image of the University. Conduction of examination (UG & PG) is whole and sole responsibility of the Examination Branch of the University. The Examination branch is headed by Director of Evaluation, Controller of Examinations followed by Additional Controller of Examinations along with supporting staff. The whole examination process will be supported by Examination Management System (EMS) Software. As per the Academic Calendar, Examination notification will be issued for inviting examinations applications from the concerned students and the same notification will be placed in the college website. The Examination Fee will be collected through SBI Collect (Online). After the finalization of the eligible students, the data of the students will be uploaded in the EMS Software and the Hall Tickets of the respective examination will be generated by the software. After finalization of semester end attendance the detention and condonation list of students will be approved by the concern college Academic Councils (CAC).

For the approved BOS semester subjects, the question paper setter will be identified from the panel of experts and the same will be approved by the DE/CoE. For each subject there will be two sets of Question Papers prepared by the concerned subject experts. As per the instruction from the DE/CoE, the concerned set of question papers will be printed and distributed in the respective examination halls during the external examinations. After completion of all the end semester examinations, spot valuation shall be conducted at the University level by drafting of subject experts from the panel list approved by DE/CoE. The evaluated answer scripts will be scrutinised by the supporting staff of the Examination. Finalized Internal marks along with Practical Laboratory marks will be entered into the EMS Software and the results are processed in the close monitoring of DE/CoE. The results will be declared after convene Results Committee and the same will be uploaded in University website for students visibility. The results will be declared within two weeks from the completion of the end semester examinations. The students can check their results by entering their Roll Number along with the date of Birth. After declaration of results, recounting notification will be issued and students can claim and submit request to CoE if any grievance in the evaluation by recounting/ re-valuation process. If any changes occurred, the published result will be updated results.

Vice Principal & Controller of Examinations

Annual Report of JNTUA College of Engineering (Autonomous)
Anantapur Examinations for the Academic Year 2021-22

JNTUA College of Engineering Anantapur has UGC Autonomy. Conduction of examination (UG & PG) is a whole and sole responsibility of the Academic Section of the College. The Academic Section is headed by Vice Principal assisted by two Deputy Controller of Examinations along with office subordinates. The whole examination process will be under taken with the support of Examination Management System (EMS) Software. As per the Academic Calendar, Examination notification were issued for inviting examination registrations from the concerned students and the same notification was placed in the college website. The Examination Fee was collected through SBI Collect (Online). After the finalization of the eligible students as per the academic guidelines, the data of the students was uploaded in the EMS Software and the Hall Tickets of the respective examination was generated through EMS software. At the end of the semester, the students attendance was finalized and the list of students whose attendance has to be condoned and the list of detained students was approved by the College Academic Committee (CAC), before issue of Hall tickets.

Based on the BoS approved course structure and subjects of respective semester, the experts for preparing the question papers was identified from the panel of examiners with prior approval of the Principal. Two sets of Question Papers in each subject were prepared by the concerned subject experts. Out of two sets of question papers, one set of question papers was selected before 30 minutes of scheduled time of examination by the Chief Superintendent. The selected set of question paper was printed and distributed to the students in the respective examination halls. After completion of all the end semester examinations, the Principal approved one of the spot centre from the panel of University colleges / Autonomous affiliated colleges for evaluation of answer scripts. The evaluated answer scripts were scrutinized by the teaching staff of the college. The finalized internal marks along with laboratory marks received from the respective departments were entered in EMS Software and the results were processed in the presence of Chief Superintendent, Controller of Examination and Deputy Controller of Examinations. The results were declared after approval by the College Results Committee and the same was published in college

website for the students. The results were declared within two weeks from the completion of the end semester examinations. The students' grievance in the declared results was addressed by inviting applications from the concerned students by recounting notification within a day of declaration of examination results. Any changes of marks in the recounting process were reflected in the published results. **The following were appeared final year students in different programs for the year 2021-22:**

Year of passing final year exam	Name of students	Enrollment number

Annual Report of the JNTUA College of Engineering (Autonomous) Pulivendula Examinations 2021-22

JNTUA College of Engineering Pulivendula got Academic Autonomy in the year 2013 by JNT University, Anantapuramu. Conduction of examination (UG & PG) is whole and sole responsibility of the Academic Section of the College. The Academic Section is headed by Vice Principal followed by two Deputy Controller of Examinations along with supporting staff. The whole examination process will be supported by Examination Management System (EMS) Software. As per the Academic Calendar, Examination notification will be issued for inviting examinations applications from the concerned students and the same notification will be placed in the college website. The Examination Fee will be collected through SBI Collect (Online). After the finalization of the eligible students, the data of the students will be uploaded in the EMS Software and the Hall Tickets of the respective examination will be generated by the software. After finalization of semester end attendance the detention and condonation list of students will be approved by the college Academic Council (CAC).

After finalization of semester subjects, the question paper setter will be identified and the same will be approved by the Principal of the college. For each subject there will be two sets of Question Papers prepared by the concerned subject experts. As per the instruction from the Principal, the concerned set of question papers will be printed and distributed in the respective examination halls. After completion of all the end semester examinations for valuation purpose, list of surrounding university and Autonomous colleges will be prepared. By the approval of the principal, one of the spot center will be identified and the answer scripts will be evaluated. The evaluated answer scripts will be scrutinised by the supporting staff of the Academic Section. Finalized Internal marks along with Practical Laboratory marks will be entered into the EMS Software and the results are processed in the presence of Principal, Vice Principal and Deputy Controller of Examinations. The results will be approved by the college Results Committee and the same will be uploaded in college website. The results will be declared within two weeks from the completion of the end semester examinations. The students can check their results by entering their Roll Number along with the date of Birth. Immediately recounting notification will be issued and recounting process will be initiated by the request from the students. The same will be reflected in the published results. In the beginning of the next semester, the open electives and Professional Elective Subjects will be opted by the students with the help of google form which was made available on the college website. **The following were appeared final year students in different programs for the year 2021-22.**

Annual Report of the University (CEK, OTPRI & SMS) Examinations 2021-22

Conduction of university examinations is an important and crucial task which will reflect kind evaluation and image of the University. Conduction of examination (UG & PG) is whole and sole responsibility of the Examination Branch of the University. The Examination branch is headed by Director of Evaluation, Controller of Examinations followed by Additional Controller of Examinations along with supporting staff. The whole examination process will be supported by Examination Management System (EMS) Software. As per the Academic Calendar, Examination notification will be issued for inviting examinations applications from the concerned students and the same notification will be placed in the college website. The Examination Fee will be collected through SBI Collect (Online). After the finalization of the eligible students, the data of the students will be uploaded in the EMS Software and the Hall Tickets of the respective examination will be generated by the software. After finalization of semester end attendance the detention and condonation list of students will be approved by the concern college Academic Councils (CAC).

For the approved BOS semester subjects, the question paper setter will be identified from the panel of experts and the same will be approved by the DE/CoE. For each subject there will be two sets of Question Papers prepared by the concerned subject experts. As per the instruction from the DE/CoE, the concerned set of question papers will be printed and distributed in the respective examination halls during the external examinations. After completion of all the end semester examinations, spot valuation shall be conducted at the University level by drafting of subject experts from the panel list approved by DE/CoE. The evaluated answer scripts will be scrutinised by the supporting staff of the Examination. Finalized Internal marks along with Practical Laboratory marks will be entered into the EMS Software and the results are processed in the close monitoring of DE/CoE. The results will be declared after convene Results Committee and the same will be uploaded in University website for students visibility. The results will be declared within two weeks from the completion of the end semester examinations. The students can check their results by entering their Roll Number along with the date of Birth. After declaration of results, recounting notification will be issued and students can claim and submit request to CoE if any grievance in the evaluation by recounting/ re-valuation process. If any changes occurred, the published result will be updated results.
