Number of days from the date of last semester-end/ year- end examination till the declaration of results year wise during the last five years

Reports from the Controller of Examination (COE)

This to certify that the External Examinations were conducted as per Academic Calender in every Academic year. After completion of external examination the answer scripts were evaluated as per academic and university guide lines.

The examination evaluation data complied by considering external marks ,internal marks, internships and project and declared the results .The results visibility given in the respective units websites. The university provided the certificates through Digilocker .
