About JNTUA College of Engineering

JNTUA College of Engineering (Autonomous) Ananthapuramu, an esteemed engineering college in Andhra Pradesh was established in 1946 and has been growing continuously in size with respect to intake, faculty strength, number of academic programs offered and infrastructure. Now it is one of the constituent colleges of JNTUA.

About Department of Humanities

The Department of Humanities and Social Sciences was established as an Independent Functionary one since 1976. The Department has been catering to the steadily growing and diversifying requirements of all the branches of Engineering. The Department always aims to remain like a beacon in leading students to the path of noble deeds, aspirations and truth. It is always committed to offer value added instruction to widen the horizon of vision for the enrichment of analytical tools, conceptual, managerial, as well as, interpersonal communication skills.

About the Workshop

Pedagogy in higher education has undergone revolutionary changes during the last two decades. Traditional methods of lecturing have become obsolete in today's scenario where Outcome - Based Education and Learner Centric Teaching have become the order of the day. Further, usage of ICT in teaching-learning process is redefining the role of the teacher from a mere provider of information to a facilitator of learning. The event will be organized as a part of twinning program in association with UCE & T, Bikaner Technical University, Bikaner Rajasthan.

Major topics to be covered in this workshop include

- Motivation and learning
- Principles of learning
- Taxonomy of learning Levels
- Outcome Based Education
- Active Learning Strategies
- Usage of ICT in teaching learning process
- Formulation of Instructional Objectives
- Concept Maps
- Curriculum Design
- Learner centered Teaching strategies
- Assessment and Evaluation methods
- Essence of effective teaching
