On December 10, 2021, as part of JNTUA university's 75th platinum jubilee celebrations, Skill Development and Incubation Centre organized a one-day event on "Launch Your Own Startup" was held at the ECE department of Jawaharlal Nehru Technological University Anantapur.

Raj Pyla chairman and managing director at eyegear optics India Pvt .Ltd. Hyderabad spoke about the process involved in starting your own startup for the young and enthusiastic entrepreneur .Dr.G.Mamatha, Co-ordinator of the Skill Development and Incubation Centre organized the event.

Objective:

- To promote new technology/ knowledge/ innovation based startups
- To Come Up With an Enriching Idea.
- To build a team (especially in the early stages), you need to be very concerned.
- To incorporate your business venture to turn it into a legal entity to make the further work process more authentic and secure.
- To create the right working environment and workspace to increase the productivity of your team and to get better results.

Outcomes:

- Students gained a clear understanding on Benefits of starting a business.
- Students learned how to build a startup or to start a venture on their own.
- Students got the clear cut idea of how to create an effective business plan.
