4-DAY TRAINING PROGRAM ON SMART CITY HACKATHON
Department of Electronics and Communication Engineering
JNTUA College of Engineering Ananthapuramu,
Report

Day 1 (9/3/2018):

On 9th of March, the event began with the inaugural function at 9:30AM presided by the Principal of the college, Prof. K. PrahladaRao Garu. Through his presidential address he kindled the minds of students with knowledge and power. The innovations, creativity and ability of students were driven out by the motivational address by the chief guest Prof. S. Srinivas Kumar Garu, Honorable Vice Chancellor of JNTUA. The inaugural address delivered by the chief guest guided students about the on-going trends. The inaugural function ended with a vote of thanks. After that, A keynote about the upcoming four day program has been delivered by Mr. Mallikarjun, Project Manager, Efftronics PVT LTD.

In the afternoon session, Mr. Amarender Katkam, Director Innovations, Smart Bridge Educational Services PVT LTD took the session to give a brief about IoT and Cloud computing.

Day 2 (10/3/2018):

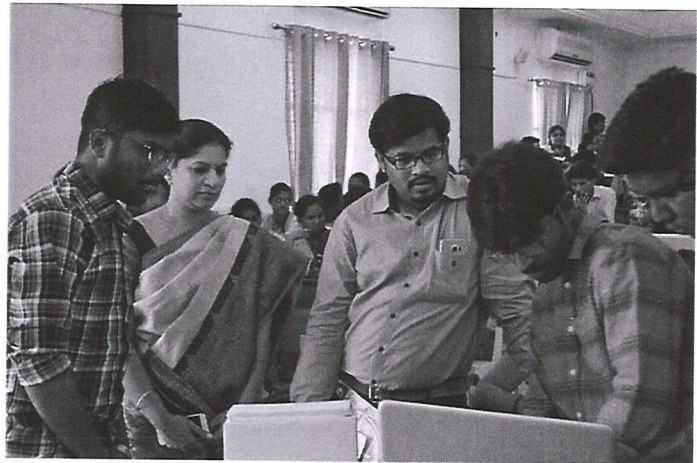

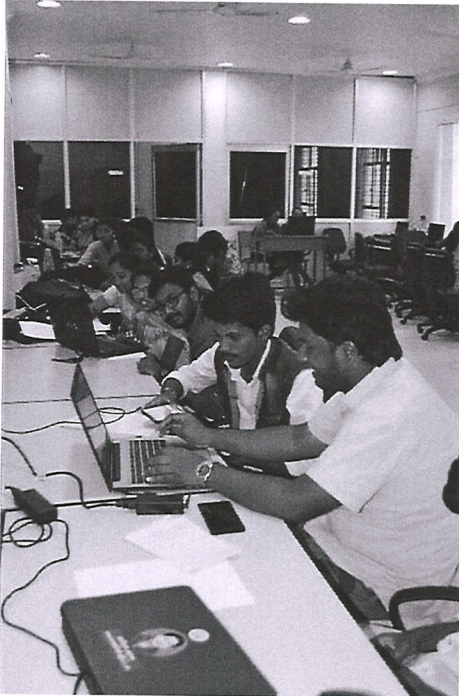

On the second day the smart bridge team held hands on sessions for the participants on using the cloud platforms like IBM Watson, Node Red and MIT App Inventor. In the end, participants were able to write cloud applications and deploy them using IBM Watson Platform.

Day 3 (11/3/2018):

The morning session started with a brief introduction about hackathon. It was followed by an Idea pitch in which the participants presented their idea with help of a Power Point Presentation in front of juries.

The Hackathon started at 12:00 PM in the Department of ECE, it was a 24 hour continuous Hackathon which lasted overnight until 12:00 PM the next day. Students were extremely enthusiastic to develop their idea into a commercial product within the given time.

Day 4 (12/3/2018):

The first review by juries was at 9:00 AM about the progress of the teams. The hackathon ended at 12:00 PM. After that, winning teams were announced and the event ended with a valedictory Function.
