**Report on Esteemed Alumni Speeches at JNTUA CEA 75 Anniversary
Celebrations**

Event Overview

Jawaharlal Nehru Technological University (JNTU) College of Engineering, Anantapur, celebrated its 75th anniversary on 19th – 21st December 2021 with great enthusiasm and grandeur. The event was attended by a diverse audience, including current students, faculty members, alumni, local dignitaries, and invited guests. The highlight of this momentous occasion was that of the esteemed alumni speeches delivered by distinguished graduates of this college who have made significant contributions to their respective fields. These speeches not only celebrated the rich history and heritage of the institution but also served as a source of inspiration for the current students and faculty. The atmosphere was filled with nostalgia, pride, and anticipation as everyone gathered to commemorate this historic milestone.

This report provides an overview of the alumni speeches and their impact on the celebration. Some of the eminent personalities of the Alumni attended the celebrations are Dr K Balaveera Reddy (1958 – 63) of Mechanical, Dr Y Venkatarami Reddy (1967 – 1972) of EEE, Dr Surya Narayana (1970 – 75) of EEE, Lingamurthy (1961 – 66) of Civil, Uday Shankar (1974 – 79) of Mechanical, Abbul Bashir (1970 – 75) of Civil, Dr Jagannath Rao of Civil, P Jayammaiah (1972 – 77) of Mechanical, Sindhuraj (1966 – 71) of Mechanical.

Esteemed Alumni Speakers

1. Dr. Venkatarami Reddy

Dr. Venkatarami Reddy, a prominent alumna of JNTU College of Engineering, Anantapur, who served in different administrations in JNTUCEA and JNTUA for a span of 23 years during 1975 to 1998, one of the youngest Vice chancellor during 1998 – 2005, Chairperson of APPSC during 2005 – 2011 and Member of UPSC during 2011 – 2014 has said, that he has reached such eminent positions because of this college education and shown all the gratitude towards the teachers who have imparted great knowledge to them that can compete with any IIT's or NIT's and can prove their skill far better than them. He has shared his most important experience that many Civil Service qualifiers are from Engineering graduates from IIT's and NIT's only, because the reasons students giving are they should in the superior position and they should not bow their heads before the inferiors in their workspace. He has suggested all the students to improve such passion to reach to the eminent positions while also sharing his personal journey, highlighting his experiences at the institution and the pivotal role it played in shaping his career. Dr. Venkatarami Reddy emphasized the importance of dedication, perseverance, and the pursuit of knowledge in achieving success. His speech resonated with the audience, especially the students, who found his words both motivating and insightful.

Dr. Balaveera Reddy- A Design Thinker, A Global Education Evangelist, A Strategic Branding & Marketing specialist, Youth Motivator and currently Vice Chancellor at VTU Engineering, was another distinguished alumna who addressed the gathering. He spoke about the importance of entrepreneurships and its necessity in the current situation of the country. Dr. Balaveera Reddy encouraged the students to think beyond the conventional career paths and to embrace innovation and risk-taking. In his words he said "Our country is a developing country and for how many days we will be seeing in the developing mode only. It has to become the developed country and it is in the hands of younger generations." He also mentioned the example of expanding of small enterprise into a huge enterprise by taking an example of *Tarmac busses* started by one person in aerodromes to carry the people from terminal to the jets. His speech was particularly inspiring for young minds aspiring to become entrepreneurs.
