In the second session Mr.V.V.Ramakrishna Sastry Sir had presented the lecture on "Importance of working in teams." He has explained that teamwork involves a whole set of skills that can't easily be put under one heading. It involves many skills. He also explained the acronym of TEAMWORK wonderfully by quoting a moral story that highlighted the importance of teamwork.

On the 2<sup>nd</sup> day of program, first session on "Emotional Intelligence" was delivered by Mr.V.V.R.Sastri. He explained the social and emotional intelligence as the ability to be aware of our own and others feelings in the moment and manage those emotions to lead ourselves and others.

He has said there are some factors that influence the intelligence and it's true that every person has different standards of intelligence and emotions. He has also given many tips on how to regulate emotions and how Emotional Intelligence helps and manages the group well even more than IQ.

In the last session titled, "Interpersonal Skills", Prof. Prabha Shankar Dwivedi quoted many examples from great literary texts on how good interpersonal skills added to the personalities of great persons. He also nicely explained about the need for communication, barriers to communication and importance of having interpersonal skills.

The Two-Day Workshop came to an end on 31-10-2020 with the valedictory followed by feedback by the participants. They expressed their immense pleasure in conducting a program like this which really ignited their knowledge on teamwork skills. Dr.Sudhir Bhardwaj, the Coordinator from the UCET, BTU, Bikaner proposed vote of thanks.

## TEQIP-III

A Two-Day National Online Workshop on  
Teamwork Skills for Career Development of the Professional students  
30-10-2020 & 31-10-2020

### Organized by

JNTUA College of Engineering (Autonomous)  
Ananthapuramu, Andhra Pradesh

&

University College of Engineering and Technology  
Bikaner Technical University, Bikaner, Rajasthan

### About JNTUA College of Engineering (Autonomous) Ananthapuramu

JNTUA College of Engineering (Autonomous) Ananthapuramu, an esteemed Engineering college in Andhra Pradesh was established in 1946 and has been growing continuously in size with respect to intake, faculty strength, number of academic programs offered and infrastructure. It is always committed to offer value added instruction to widen the horizon of vision for the enrichment of Technical education along with skill development.

### About University College of Engineering & Technology, BTU, Bikaner

University College of Engineering and Technology (UCET) Bikaner is constituent college of Bikaner Technical University (BTU). Before becoming constituent college of BTU it was known as Govt. College of Engineering and Technology (GCET). It was established in 2007, as an autonomous body of Govt. of Rajasthan, amidst the brown blooms of desert island, Bikaner. Bikaner Technical University was established in 2017 and soon after that UCET became its constituent college. It has made its mark by inspiring quality education

### About the Workshop

The students pursuing professional courses need to prepare themselves for their careers which may require them to work in groups or teams in doing project works, design posters, prepare PPTs while working with their teams in their colleges. Here they are involved in sharing their ideas with one another. This kind of work environment enhances the performance of the students and to inculcate team culture among them this workshop has been planned.

The workshop aspires to instill the sense that none of us is as strong as all of us and we can accomplish any great task only when we work as a team. The talks will focus on the knowhow needed for building teams and nurturing team spirit.

### Objectives of the Workshop

- To train the young minds to work in groups effectively
- To make them know and appreciate importance of working in teams
- To make them synergize their talents and achieve more in team work
- To make them capable of holding their emotions and inculcating team spirit
- To enhance their performance in collaborative work.

### Major topics to be covered

- ✓ Understanding the importance of Teamwork skills
- ✓ Interpersonal Skills
- ✓ Emotional Intelligence
- ✓ Group Dynamics

TEQIP-III Sponsored (Twinning Program) Two-Day National Online Workshop on  
**Teamwork Skills for Career Development of the Professional Students**  
held on 30-10-2020 and 31-10-2020

**REPORT**

The Department of Humanities and Social Sciences, JNTUA College of Engineering, (Autonomous) Ananthapuramu, in association with the College of Engineering and Technology, Bikaner Technical University, Bikaner, Rajasthan Organized the twinning program with the title 'TEQIP-III Sponsored Two-Day National Online Workshop on **Teamwork Skills for Career Development of the Professional Students**' on 30-10-2020 & 31-10-2020

The workshop has focused to train the students pursuing professional courses to prepare themselves for their careers which may require them to work in groups or teams in doing project works, design posters, prepare PPTs while working with their teams in their colleges. Here they are involved in sharing their ideas with one another. This kind of work environment enhances the performance of the students and to inculcate team culture among them this workshop has been planned. About 500 + candidates have registered for this workshop and around 200 participants from various states attended all the sessions on both days.

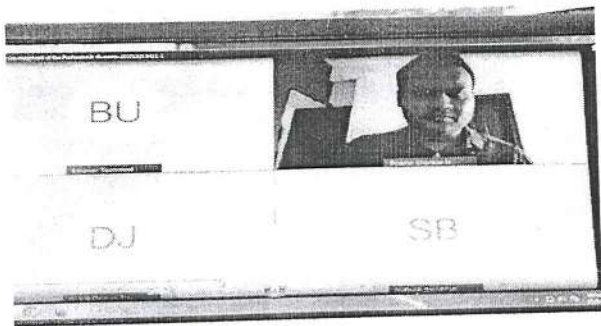

The program started with the inaugural function. Prof. K.Govinda Rajulu, Principal of JNTUACEA , Prof Y.N.Singh, Principal, UCET, Bikaner Technical University, Bikaner, Rajasthan, Prof. M.L.Sai Kumar, Professor from IPE (Rtd), Secunderabad, Prof.V.B.Chithra

Convenor & Coordinator from JNTUACEA, Dr.Sudhir Bhardwaj, the coordinator from UCET, BTU, Bikaner, Rajasthan and many students all over the nation attended the inauguration of Two-Day workshop.

The Coordinator of the program, Dr. V.B.Chithra welcomed the guests and participants. She has highlighted the objectives of the workshop with an emphasis on the knowhow needed for building teams and nurturing team spirit. Teamwork involves a whole set of skills that can't easily be put under a heading. It involves communication skills, support skills, problem solving skills, listening, feedback skills, and conflict management skills.

Prof.K.Govindarajulu, Principal of JNTUACEA stressed the need for teamwork to achieve any kind of success. He has explained how team brings the people of different personalities together

and how teamwork involves helping other members of the team to achieve a common goal quickly and effectively. He said that real leaders emerge in a team and also clarified that working in a team is not a waste of time but leads to good leadership skills.

Dr.Y.N.Singh, Principal of UCET, Bikaner speaking on this occasion compared the teamwork with a lubricant which can overcome the obstacles easily in a group. He has explained the significance of teamwork for achieving required goals.

The first session on 30-10-2020 was handled by Prof. M.L.Sai Kumar. In his lecture "Group Dynamics: ", he had nicely explained about the group development by forming, brainstorming, norming, performing. He had stated the good and positive dynamics of teams or groups and also explained about the 8C rules.

  
REGISTRAR  
J.N.T.U. Anantapur  
ANANTAPURAMU-515002

Prof. K.Govindarajulu, Principal of the college presided over the function. In his address, Prof. K.Govindarajulu reiterated the significance of the team skills and the need to change; and set goals to bridge the gaps in transforming the knowledge of students.

Prof.Y.N.Singh, Principal of UCET, BTU, Bikaner, Rajasthan stressed the need for teamwork to achieve any kind of success.

Key Note Address was presented by the Resource Person and Chief Guest, Prof. M.L.S.Saikumar, from IPE, Hyd. He briefly introduced the importance of team skills to meet the challenges in the present scenario.

On the first day, the first session was handled by Prof.Saikumar. He delivered the lecture on "Teamwork and Coordination". He has stated that teamwork is the joint action of people working toward the same end goal. When people talk about teamwork, they mean more than just completing a task, however: they mean the work that comes from people working together effectively. The strength of a team comes from supporting each other, communicating well, and doing your share. Coordinating simply means keeping all the team members organized and working towards one goal. It helps to keep the balance between the effectiveness and efficiency of the team.

The next session was handled by Mr.V.V.Ramakrishna Sastri, Soft Skills Trainer, Master Minds Academy from Bangalore He gave a lecture on "Understanding the importance of Teamwork Skills" by narrating the story of Hare & Tortoise. He skillfully handled the session up to the satisfaction of our professional students.

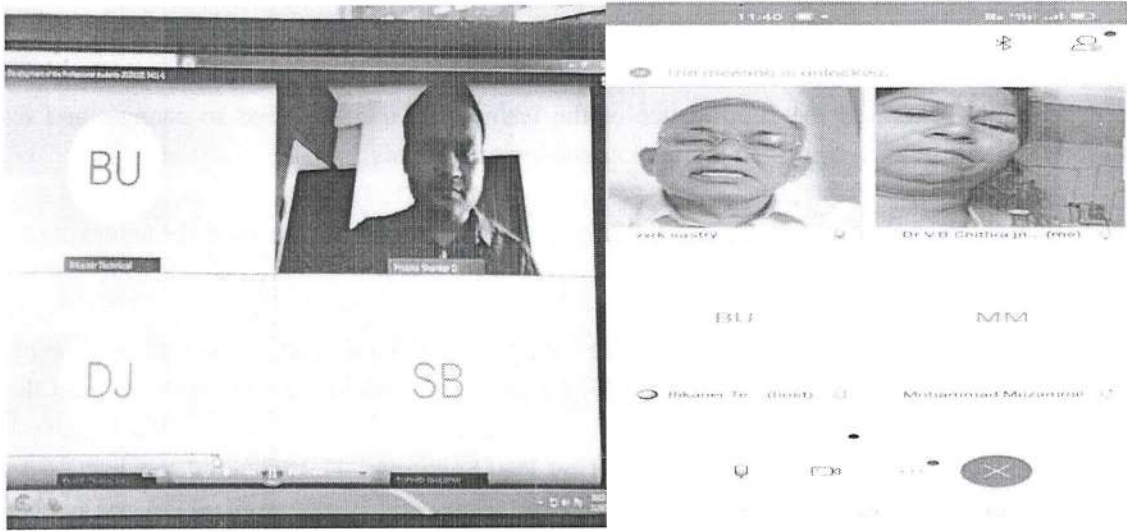

The second day of the Workshop; was handled by Prof.Prabhashankar Dwivedi from IIT Tirupati. His session on "**Interpersonal Skills**" on 31-10-2020 had given appropriate input to our participants and added value to the workshop. He provided a good learning experience to our participants that made the session apt to the workshop and very relevant to the participants.

The last session was handled by Mr.V.V.R.K.Sastri. He delivered a lecture on "Social & Emotional Intelligence" He stated that students' relationships should go beyond the intellectual level which is at the emotional level also. He explained various methods to regulate our emotions like neutralizing ego and spiritualized way of thinking. Service to society will help a lot to regulate emotions.
