About the E-Conference

COVID-19 has rampaged and disrupted all spheres of human life in the entire world today. The outbreak of the COVID-19 pandemic has posed many challenges to the mankind. At the same time, this crisis has left an opportunity to explore our creativity and innovative ideas to counteract its negative impact. The lockdown in the light of COVID-19 has enforced all the academic and research fraternity to resort to innovative techniques and adopt online teaching methods to continue the learning process.

**Human Values** add meaning to life and make people to live life on right path and build a happy and healthy society. Materialistic life without human values may prone people towards

untoward tendencies, inhuman and uncivilized life.

Besides all the other devastating consequences of this pandemic, we are also witnessing various unprecedented dimensions, facets and perceptions of human relationships emerging in the realm of human values in the global scenario which may be a great threat to the normal order of human life.

We hope that this E-Conference will ignite and reinforce our spirits to coup up the turbulence arose in the sphere of Human Values due to COVID-19 and throw light on our outlook of human values on a comprehensive spectrum.

Objectives of the E-Conference

- To develop a comprehensive awareness on human values present and post- COVID 19
- To reiterate the worth of essential human values which bear everlasting relevance.
- To promote sense of humanity which remains a torch bearer and hope during crisis situations
- To revisit current socio-cultural values and redefine them in the wake of prevalent times.
- To foster empathetic attitude towards the needy and disposed by lending humane dimension to contemporary teacher-learning process.

**Call for Papers:** Papers may be presented on the following sub-themes.

(Paper presenters need not send the full papers. Recorded audio/video clip of highlights of the paper not exceeding 3-5 minutes duration will be considered for your paper presentation)

Sub-themes of the E-Conference

- Background of COVID-19
- Impact of COVID on political, economic, social spheres on the globe
- Impact on international relations and priorities of the countries.
- Measures to eradicate COVID-19
- Plight of marginalized sections in the society.
- Significance of human values
- Role of human values in the present crisis
