PROGRAM REPORT

Program Name: Autocad Workshop

Program Date: 01-04-2018-17-11-2018

Venue: JNTUA College of Engineering, Pulivendula

About the Program:

The AutoCAD workshop aimed to provide participants with comprehensive training and hands-on experience in using AutoCAD, a widely-used computer-aided design (CAD) software. The workshop targeted students, professionals, and individuals interested in enhancing their drafting and design skills using AutoCAD.

The primary objectives of the AutoCAD Workshop were as follows:

- Introducing participants to the fundamentals of AutoCAD and its applications in various industries, such as architecture, engineering, interior design, and manufacturing.
- Equipping participants with practical skills to create 2D and 3D drawings, including architectural plans, mechanical designs, and electrical schematics.
- Enhancing participants' proficiency in using AutoCAD tools, commands, and shortcuts for efficient and accurate drafting.
- Providing hands-on practice and real-world examples to reinforce learning and problem-solving capabilities.
- Fostering creativity and innovation through design exercises and projects.

Trainees Attended: 59

Participants Feedback:

Feedback from participants was overwhelmingly positive. They expressed satisfaction with the workshop's organization, content delivery, and hands-on approach. Participants praised the experienced instructors who provided clear explanations and valuable insights. Many attendees appreciated the real-world applications showcased during the workshop, making the learning experience more engaging and relevant.

Conclusion:

The AutoCAD Workshop proved to be a valuable learning opportunity for participants interested in computer-aided design and drafting. The workshop's well-structured curriculum, hands-on projects, and experienced instructors contributed to its success in imparting practical AutoCAD skills. Participants left the workshop with increased confidence in using AutoCAD for various design tasks, positioning them for enhanced career opportunities in their respective fields.

Overall, the AutoCAD Workshop was a resounding success, fulfilling its objectives of empowering participants with essential AutoCAD skills and knowledge. The workshop served as a foundation for participants to further explore and excel in the realm of computer-aided design and contribute to innovative projects across different industries.
