

**JAWAHARLAL NEHRU TECHNOLOGICAL UNIVERSITY ANANTAPUR
ANANTHAPURAMU- 515 002 (A.P) INDIA**

Metric No: 7.1.10

The Institution has a prescribed code of conduct for students, teachers, administrators and other staff and conducts periodic programmes in this regard.

- 1. The Code of Conduct is displayed on the website**
- 2. There is a committee to monitor adherence to the Code of Conduct**
- 3. Institution organizes professional ethics programmes for students, teachers, administrators and other staff**
- 4. Annual awareness programmes on Code of Conduct are organized**

HEI Input : A. All of the above

DVV Comment : Provide Circulars and geo tagged photographs of the activities organized under the metric for teachers, students, administrators and other staffs for the 2021-22.

HEI Response : Provided Circulars and geo tagged photographs of the activities organized under the metric for teachers, students, administrators and other staffs for the 2021-22.

About College

JNTUA College of Engineering, (Autonomous) Ananthapuramu stands aloft on a solid foundation of past glory and prestige. This college was started in the year 1946, under the post war reconstruction program and functioned at Guindy campus, Madras for two years and was shifted to Anantapur in 1948.

During the first 25 years of its existence, it was affiliated to the Madras and S V University and produced distinguished alumni, who are holding high positions, in India and abroad. The college became a constituent college of the formed Jawaharlal Nehru Technological University, Hyderabad in 1972 and presently it is a constituent college of JNT University Anantapur since August 2008. The college has been growing continuously in size with respect to intake, faculty strength, number of academic programs offered and infrastructure.

About Department

The Department of Chemical Engineering was established in 1989 and has completed its Silver Jubilee celebration. It offers UG, PG, and Ph.D. programs and is accredited with National Board of Accreditation (NBA).

About FDP

Environmental Studies is an ability enhancement compulsory course prescribed by the UGC for all undergraduate programs of higher education in the country. The course intends to develop critical thinking of the students to take informed decisions for sustainable development and lifestyle. This FDP program is intended to build the capacity of teachers teaching this course through a series of webinars.

About Speakers

The speakers are experts from Academia, Research, & Industry from leading organisations of the country.

Required Material and Gadgets

Laptop/desktop with webcam and robust internet connectivity, headset with microphone.

Eligibility for Participation & Certification

Teachers of Environmental Studies for all undergraduate programs. Attendance in all sessions and Test, filling of feedback forms is essential.

Registration Fee: No Registration Fee

Registration Closes: 20-09-2020

आभारपूर्वक प्रतिक्रिया के लिए

We are delighted to learn that you have taken due note of our request regarding incorporation of Universal Human Values in Higher Education. This is an initial but significant step in developing the foundation of "value-based education", which is a major aspiration articulated in the NEP 2020.

While it was particularly mentioned for technical education, it is a need for all of higher education as well as all levels in school education.

Our National Committee for Universal Human Values (NC-UHV), chaired by Prof. RR Gaur of IIT Delhi, is responsible for developing the vision, syllabus, teaching-learning material as well as the resource persons for various courses of study of Universal Human Values.

Our National Coordination Committee for Induction Program (NCC-IP), chaired by Dr. Rajneesh Arora, former VC of Punjab Technical University, is responsible for training of teachers and implementing Universal Human Values at the initial stages of higher education, i.e. the Student Induction program.

Please feel free to contact:

- Prof. RR Gaur, rrgaur99@gmail.com
- Dr. Rajneesh Arora, ncc-ip@aicte-india.org
- Prof. Srinivas Kumar, VC JNTUA Anantapur, samayamantula1963@gmail.com
- Prof. G Prasanthi, JNTUA Anantapur, Regional Coordinator, NCC-IP Sub Committee, prasanthi.mech@jntua.ac.in
- Mr. Sarath Chandran, Regional Coordinator, Regional Coordinator, NCC-IP Sub Committee, sarath.mb@gmail.com, sarath.mb@gmail.com

A Glimpse of Holistic, Value-Based Education
A Small but Crucial Step in the Fulfilment of the Aspirations Articulated in NEP2020
Induction Program
अनुगम समारोह
20th and 21st September 2021

Hi RC Prof. G Prasanthi,

You are invited to a Zoom webinar.

Date Time: Sep 20, 2021 09:00 AM India
Topic: How to Conduct the AICTE Student Induction Program (SIP) 2021 (in ENGLISH)

Join from a PC, Mac, iPad, iPhone or Android device:
Click Here to Join
Note: This link should not be shared with others; it is unique to you.
Passcode: SIP2021
Add to Calendar Add to Google Calendar Add to Yahoo Calendar
Description: Welcome to this 1-day webinar

Purpose:

1. To communicate about AICTE SIP to all colleges
2. To share basic ideas to facilitate smooth and effective conduct of the SIP in the college
3. To seek feedback about how the AICTE SIP is being received

Expected Participants:

1. AICTE leadership, key officers and members of NC-UHV and NCC-IP
2. Universities and Colleges – VCs, Director/Principals/ Deans and faculty responsible for supporting SIP in their universities/colleges
3. SIP Team members (teaching and non-teaching staff) of Universities and colleges responsible for planning and conducting the SIP in their respective institutions

Program Schedule

9:30 – 11:30 Inaugural Session
Session 1

11:45 – 1:30 SIP Module on Universal Human Values (UHV)
Session 2

2:30 – 4:00 SIP Modules on Indian Knowledge System (IKS) and Skills
Session 3

4:15 – 5:45 Planning and Conducting SIP in the College
Session 4

5:45 – 6:15 Online Certification Quiz
(for those interested in getting AICTE Certificate of Participation)

Important-

1. A certificate of participation will be given only to those who qualify in the 30 minute Certification Quiz, which is being conducted at the end of the webinar as mentioned in the schedule above.
2. To participate in the certification quiz, please be present for the 4 sessions till 5:45PM, The certification Quiz will open at 5:45PM
The QUIZ LINK will be sent in the REMINDER eMail
3. Please download the latest SIP Teaching Material from the AICTE Website <https://fdp-si.aicte-india.org/download.php#1>
4. You may like to invite your colleagues - faculty and non-teaching staff to attend the webinar on 20th September 2021, so they can join this webinar directly at: https://us02web.zoom.us/j/4416317255134?pwd=En7UjL8bT9eiaLlgRW_qtA
5. Refer your colleagues to join Hindi session on 21st September 2021 at: <https://us02web.zoom.us/j/5216317259298?pwd=jAqx7Bn5TSipo0lotGZTYg>

JNTUA College of Engineering (Autonomous)
Ananthapuramu-515002
Andhra Pradesh

7.1.10

ABOUT THE COLLEGE

JNTUA College of Engineering, Anantapuramu, is one of the oldest premier colleges in South India, with illustrious alumni. The college has celebrated its Diamond Jubilee in the year 2006 and has an excellent atmosphere for advancement of one's knowledge. In the year 2008 the college has become a constituent college of the newly formed JNTUA, Anantapur. About 194 private Engineering/Pharmacy/MBA colleges in the districts of Ananthapuramu, Kadapa, Kurnool, Chittoor and Nellore are affiliated to JNTUA Anantapuramu. Anantapuramu is well connected with major cities like Mumbai, Hyderabad, Bangalore and Chennai by rail and road. It is very near to places of tourist interest like Lepakshi, Hampi, Belum caves and Puttaparthi.

ABOUT THE DEPARTMENT

The Department of Chemical Engineering was established in 1989 and has very recently celebrated its Silver Jubilee. The department is accredited with NBA and offers UG, PG, MS and Ph.D programs. The Department has highly qualified faculty with expertise in the areas of Membrane Separations, Pervaporation, Environmental Engineering, Nanotechnology, Interfacial Science, Fluidization, Micro-reactors and Bioprocesses. The department has earlier carried out and currently carrying many research projects sponsored by BRNS, BHEL, UCIL, AICTE, UGC, etc...

ABOUT THE WORKSHOP

Waste management is not only dumping the unwanted things in a random way but it has systematic process consisting of collection, transportation, and proper disposal of garbage, sewage and other waste products. This also offers various solutions for recycling the items, putting the waste to productive use. Waste can be classified into four major types as urban waste, industrial waste, biomass waste, and biomedical waste. In this context, the current program is organized to disseminate and deliberate knowledge on this important theme. The following areas will be discussed by eminent speakers:

Broad contents of the Workshop

- Agri Waste Management
- E-waste management
- Municipal solid waste management
- Hazardous waste management

- n. the conditions for residence of students of the University in the halls and hostels and the levy of fees and other charges for such residence;
- o. the holding of convocations to confer degrees and diplomas;
- p. the conferment of honorary degrees and academic distinctions;
- q. conditions of registration of graduates and the maintenance of register thereof;
- r. all other matters necessary for carrying out all or any of the purposes of this Act.

³³ [(ii) *to provide for reservation to all cadres by direct recruitment in accordance with section 34A.*]

24. (1) The first statutes of the University with regard to matters set out in section 23 shall be made and notified by the Government.

³⁴ [(2) *The council may, from time to time, make any Statute in addition to the First Statutes referred to in sub-section (1) and may amend or repeal any Statute in the manner herein after provided in this section:*

Provided that nothing in the First Statutes referred to in sub-section (1) or in any Statute made by the Council under this sub-section shall adversely affect the conditions of the service of the teachers or other employees transferred to the control of the Technological University on the 2nd October, 1972 along with the transfer of the control and management of the constituent colleges.]

Statutes how made

³³ Inserted by Andhra Pradesh Act No. 17 of 1992

³⁴ Substituted by Andhra Pradesh Act No. 19 of 1981

28. *Declaration of age.-*

An employee appointed by direct recruitment shall make a declaration of age to the appointing authority at the time of his entry into the service of the University based on his S.S L.C. register or such other documentary proof as may be acceptable to the appointing authority upon which the age will be admitted. After the declaration of age and acceptance of the same by the appointing authority it shall be binding on him and no alteration of such age shall be allowed to be made at a later date during his service in the University for any purpose or reason whatsoever.

29. *Record of Service.-*

There shall be a Service Register for every employee giving history of his service from the date of his appointment including increments, promotion, reward, punishment and all other special events in his service. The Service Register shall also contain a Leave Account Form for the employee showing a complete record of all leave (except Casual Leave), earned as well as unearned taken by him.

30. *Miscellaneous provisions.-*

The following rules of the State Government shall apply to the employees of the University:-

- (1). Government servant's application for private employment (Andhra Pradesh services) Rules;
- (2) Andhra Pradesh Civil Services (Conduct) Rules, 1964;
- (3) The Andhra Pradesh Civil Service (Safe-guarding of National Security) Rules,

31. *Conviction on criminal charges.-*

No person who is convicted by a Court of law on criminal charges shall be eligible to hold any appointment in the service of the University. A person in the service of the University who is convicted on a criminal charge shall cease to be the employee of the University and he shall be discharged forthwith and he shall forfeit his right for pension and other terminal benefits.

University, Anantapur and the Jawaharlal Nehru Technological University, Hyderabad as per agreement arrived at among the four Universities:

Provided that if no such agreement is reached within a period of six months from the date notified, the Government may, after giving an opportunity to the concerned Universities for making their representations in that behalf, determine the amounts payable to the respective Universities and the amounts so determined shall be final and binding on the Universities concerned.

Repeal and savings.
Act No. 16 of 1972, and Ordinance No. 13 of 2008.

47. (1) The Jawaharlal Nehru Technological University Act, 1972 is hereby repealed.

(2) Upon such repeal, the provisions of sections 8 and 18 of the Andhra Pradesh General Clauses Act, 1891 shall apply.

(3) Notwithstanding such repeal.

(a) all property, movable or immovable and all rights, interests whatever kind powers and privileges of the University constituted immediately before the commencement of this Act, shall be transferred to and vest in the concerned University and shall be applied to the objects and purposes for which the University is constituted;

(b) all benefactions accepted or received by the University constituted immediately before the commencement of this Act shall be deemed to have been accepted or received by the Universities under this Act and all the conditions on which such benefactions were accepted or received shall be deemed to be valid under this Act, notwithstanding that such conditions are inconsistent with the provisions of this Act;

(c) all debts, liabilities and obligations incurred before the commencement of this Act and lawfully subsisting against the University shall be discharged and satisfied by the concerned University;

(d) all references in any enactments or other instruments issued under an enactment to the University constituted immediately before the commencement of this Act shall be construed as references to the concerned University deemed to have been constituted under this Act;

(e) the appointment of the officers (other than the Vice-Chancellor), teachers and employees of the University constituted immediately before the commencement of this Act and subsisting immediately before the commencement of this Act shall be deemed to have been made under and for the purpose of this Act, and such Officers, teachers and employees shall continue to hold office, subject to the conditions governing the terms of their office or employment;

(f) all Statutes, Ordinances and regulations, made under the provisions of Jawaharlal Nehru Technological University Act, 1972 in respect of the Universities specified in the Schedule-II, so far as such Statutes, Ordinances and Regulations, are not inconsistent with the provisions of this Act, continue to be in force and be deemed to have been made under the provisions of this Act until they are superseded or modified by Statutes, Ordinances and Regulations made under this Act.

(4) The Jawaharlal Nehru Technological University Ordinance, 2008 is hereby repealed.

JAWAHARLAL NEHRU TECHNOLOGICAL UNIVERSITY ANANTAPUR
COLLEGE OF ENGINEERING PULIVENDULA (AUTONOMOUS) -PIN: 516390(A.P.)
HUMANITIES AND SOCIAL SCIENCES DEPARTMENT

Subject Code	Title of the Subject	L	T	P	C
	Universal Human Values	2	0	0	0

COURSE OBJECTIVES	
1	To create an awareness on Engineering Ethics and Human Values.
2	To instill Moral and Social Values and Loyalty.
3	To appreciate the rights of Others.

COURSE OUTCOMES	
CO1	Identify and analyze an ethical issue in the subject matter under investigation or in a relevant field.
CO2	Identify the multiple ethical interests at stake in a real-world situation or practice.
CO3	Identify ethical concerns in research and intellectual contexts, including academic integrity, use and citation of sources, the objective presentation of data, and the treatment of human subjects.
CO4	Demonstrate knowledge of ethical values in non-classroom activities, such as service learning, internships, and field work.
CO5	Integrate, synthesize, and apply knowledge of ethical dilemmas and resolutions in academic settings, including focused and interdisciplinary research.

Unit I: HUMAN VALUES

Morals, Values and Ethics-Integrity-Work Ethic-Service learning – Civic Virtue – Respect for others – Living Peacefully – Caring – Sharing – Honesty - Courage- Co Operation – Commitment – Empathy –Self Confidence Character – Spirituality.

Unit II: ENGINEERING ETHICS

Senses of ‘Engineering Ethics- Variety of moral issued – Types of inquiry – Moral dilemmas – Moral autonomy –Kohlberg’s theory- Gilligan’s theory- Consensus and controversy – Models of professional roles- Theories about right action- Self-interest - Customs and religion –Uses of Ethical theories – Valuing time – Cooperation – Commitment.

Unit III: ENGINEERING AS SOCIAL EXPERIMENTATION

Engineering As Social Experimentation – Framing the problem – Determining the facts – Codes of Ethics – Clarifying Concepts – Application issues – Common Ground - General Principles – Utilitarian thinking respect for persons.

UNIT IV: ENGINEERS RESPONSIBILITY FOR SAFETY AND RISK

Safety and risk – Assessment of safety and risk – Risk benefit analysis and reducing risk- Safety and the Engineer- Designing for the safety- Intellectual Property rights (IPR).

UNIT V: GLOBAL ISSUES

JNTUACollege of Engg.,Pulivendula58

Globalization – Cross culture issues- Environmental Ethics – Computer Ethics – Computers as the instrument of Unethical behavior – Computers as the object of Unethical acts – Autonomous Computers- Computer codes of Ethics – Weapons Development - Ethics and Research – Analyzing Ethical Problems in research – Intellectual property Rights(IPR).

1. **“Engineering Ethics”** by Harris, Pritchard and Rabins, CENGAGE Learning, India Edition, 2009.
2. **Engineering Ethics includes Human Values”** by M.Govindarajan, S.Natarajan and V.S.SenthilKumar-PHI Learning Pvt. Ltd-2009.
3. **“Ethics in Engineering”** by Mike W. Martin and Roland Schinzinger – Tata McGraw-Hill– 2003.
4. **“Professional Ethics and Morals”** by Prof.A.R.Aryasri, Dharanikota Suyodhana-Maruthi Publications.
5. **“Professional Ethics and Human Values”** by A.Alavudeen, R.Kalil Rahman and M.Jayakumaran- Laxmi Publications.
6. **“Indian Culture, Values and Professional Ethics”** by PSR Murthy-BS Publication.
7. **“Professional Ethics and Human Values”** by Prof.D.R.Kiran.

JNTUA COLLEGE OF ENGINEERING (AUTONOMOUS):: PULIVENDULA
DEPARTMENT OF CHEMISTRY
II B.TECH – I/II SEMESTER Mandate Course (MC)
(THEORY)

Subject Code	Title of the Subject	L	T	P	C
	Environmental Science	3	0	-	0

COURSE OBJECTIVES	
1	To make the student understand multi disciplinary nature of environment and its components.
2	To investigate the relationship between human life and environment from scientific prospective.
3	To impart knowledge to the students about fundamental concepts of Ecosystem and Biodiversity
4	Necessasity of analyzing regional, national and global environmental problems
5	To understand and apply the fundamentals of Environmental science to important local, regional, national and global environmental problems and potential issues

COURSE OUTCOMES	
CO1	Able to solve the environmental problems based fundamental concepts of Environmental Science.
CO2	Enable the students to understand the structure and function of significant environmental systems
CO3	Knowledge of concepts makes them differentiate Natural and Polluted environment..
CO4	Enable to apply the Pyramid of number, mass and Energy, understand about Renweable energy resources. Illustrate the Forest ecosystem, Discuss about Grass and Net biomass productivity
CO5	Differentiate between Forest and desert Ecosystems, Critically evaluate arguments regarding environmental issues. Illustrate the Food chain and food web, Identify the applications of rain water harvesting, Interpret advantages of In-situ and Ex-situ conservation of biodiversity

SYLLABUS

UNIT-I:

i) Multidisciplinary nature of environmental studies

The **Multidisciplinary** nature of environmental studies Definition; Scope and importance, Need for public awareness.

ii) Natural Resources:

Renewable and non-renewable resources: Natural resources and associated problems.

a) Forest resources: Use and Over-exploitation, deforestation, case studies. Dams, benefits and their effects on forests and tribal people.

b) Water resources: Use and over-utilization of surface and ground water, floods, drought, conflicts over water

c) Earth: Geomorphology, Weathering, Structure of Earth - inner core, outer core, mantle and the crust, magma.

d) Mineral resources: Use and exploitation, environmental effects of extracting and using mineral resources, case studies.

e) Food resources: World food problems, changes caused by agriculture, effects of modern agriculture, fertilizer-pesticide problems, water logging, salinity, case studies.

- Role of an individual in conservation of natural resources.

- Equitable use of resources for sustainable lifestyles.

UNIT-II:

i) Ecosystems

Concept of an ecosystem, Structure and function of an ecosystem, Producers, consumers and decomposers. Energy flow in the ecosystem, Ecological succession. Food chains, food webs and ecological pyramids.

Types of some ecosystems: -

a. Forest ecosystem b. Desert ecosystem

d. Aquatic ecosystems (ponds, rivers, oceans, estuaries).

ii) Biodiversity and its Conservation

Introduction-Definition: genetic, species and ecosystem diversity. Biogeographical classification of India. Value of biodiversity: consumptive use, productive use, social, ethical, aesthetic and option values, India as a mega-diversity nation.

Threats to biodiversity: habitat loss, poaching of wildlife, man-wildlife conflicts. Conservation of biodiversity: In-situ and Ex-situ conservation of biodiversity.

UNIT-III:

Environmental Pollution and Disaster management:

Definition - Causes, effects and control measures of:

a. Air pollution b. Water pollution c. Soil pollution d. Marine pollution

e. Noise pollution f. Thermal pollution g. Nuclear hazards

Disaster management: floods, earthquake, cyclone and landslides.

Climate change, global warming, acid rain, ozone layer depletion, nuclear accidents and holocaust.

UNIT-IV:

Social Issues and the Environment

From Unsustainable to Sustainable development. Water conservation, rain water harvesting, watershed management.

Resettlement and rehabilitation of people; its problems and concerns. Case studies.

Environment Protection Act. Air (Prevention and Control of Pollution) Act. Water (Prevention and Control of Pollution) Act. Wildlife Protection Act. Forest Conservation Act.

Issues involved in enforcement of environmental legislation. Public awareness.

UNIT-V:

i) Human Population and the Environment

Population growth, variation among nations. Population explosion-Family welfare Programme.

Environment and human health, Women and Child Welfare, Role of information Technology in Environment and human health, Case Studies.

ii) Field Work

- Visit to a local area to document environmental assets-river/forest/grassland/ hill/mountain.

- Visit to a local polluted site-Urban/Rural/Industrial/Agricultural.

- Study of simple ecosystems-pond, river, hill slopes, etc.

Jawaharlal Nehru Technological University Anantapur

(Established by Govt. of A.P., Act. No. 30 of 2008)

Ananthapuramu–515 002 (A.P) India

Academic Regulations (R19) for B. Tech. (Regular-Full time)

(Effective for the students admitted into I year from the Academic Year
2019-2020 onwards)

and

Academic Regulations (R19) for B.Tech.(Lateral Entry Scheme)

(Effective for the students getting admitted into II year through Lateral Entry
Scheme from the Academic Year **2020-2021** onwards)

1. Award of B.Tech. Degree

A student will be declared eligible for the award of the B.Tech. degree if he/she fulfils the following academic regulations:

- i A student has to pursue a course of study for not less than four academic years and not more than eight academic years. However, for the students availing Gap year facility this period shall be extended by two years at the most and these two years would not be counted in the maximum period permitted for graduation.
 - ii A student has to register for 160 credits and secure all 160 credits to get B.Tech. degree
 - iii A student will be eligible to get B.Tech. degree with Honours or a Minor if he/she completes an additional 20 credits.
 - iv A student will be permitted to register either for Honours or a Minor Engineering but not both.
2. Students, who fail to fulfil all the academic requirements for the award of the degree within eight academic years from the year of their admission, shall forfeit their seat in B.Tech. course and their admission stands cancelled.

3. Programs offered by the University:

The following programs are offered at present as specializations for the B. Tech. course for non-autonomous, constituent & affiliated colleges from 2019-2020.

S.No.	Name of the Program	Program Code
1.	Civil Engineering	01
2.	Electrical and Electronics Engineering	02
3.	Mechanical Engineering	03
4.	Electronics and Communication Engineering	04
5.	Computer Science and Engineering	05
6.	Information Technology	12
7.	Food Technology	27

and any other course as approved by the authorities of the University from time to time.

4. About Program related terms:

- i **Credit:** A unit by which the course work is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one hour of teaching (Lecture/Tutorial) or two hours of practical work/field work per week.
- ii **Academic Year:** Two consecutive (one odd + one even) semesters constitute one academic year.
- iii **Choice Based Credit System (CBCS):** The CBCS provides choice for students to select from the prescribed courses.

- iv Each course is assigned certain number of credits based on following criterion:

	Semester	
	Periods / Week	Credits
Theory (Lecture/Tutorial)	02	02
	03	03
	04	04
Practical	02	01
	03	1.5
	04	02

5. Weights for Course Evaluation:

5.1 Course Pattern:

- i. The entire course of study is for four academic years. Semester pattern shall be followed in all the academic years
- ii. A student eligible to appear for the end examination in a subject, but absent or has failed in the end examination may appear for that subject at the next supplementary examination when offered.
- iii. When a student is detained due to lack of credits/shortage of attendance he/she may be re-admitted when the semester is offered after fulfilment of academic regulations. In such case, he/she shall be in the academic regulations into which he/she is readmitted.

5.2 Evaluation Process:

The performance of a student in each semester shall be evaluated subject wise with a maximum of 100 marks for theory and 100 marks for practical subject. Socially relevant project and Internship shall be evaluated for 50 marks each & Project work shall be evaluated for 200 marks whereas mandatory courses with no credits shall be evaluated for 30 mid semester marks.

- i. For theory subjects the distribution shall be 30 marks for mid semester Evaluation and 70 marks for the End-Examination.
- ii. For practical subjects, the distribution shall be 30 marks for mid semester Evaluation and 70 marks for the End- Examination.
- iii. If any subject is having both theory and practical components, they will be evaluated separately as theory subject and practical subject. However, they will be given same subject code with an extension of 'T' for theory subject and 'P' for practical subject.

5.3 Internal Evaluation:

For theory subjects, during the semester, there shall be two midterm examinations. Each midterm examination shall be evaluated for 30 marks of which 10 marks for objective paper (20 minutes duration), 15 marks for subjective paper (90 minutes duration) and 5 marks for continuous evaluation in the form of assignments.

Objective paper shall be set for maximum of 20 bits for 10 marks. Subjective paper shall contain 3 either or type questions (totally six questions from 1 to 6) of which student has to answer one from each either-or type of question. Each question carries 5 marks.

***Note 1:** The subjective paper shall contain 6 questions of equal weightage of 5 marks. Any fraction (0.5 & above) shall be rounded off to the next higher mark.

***Note 2:** The Objective paper shall be conducted online by the college on the day of subjective paper test.

***Note 3:** Five assignments shall be given and evaluated.

If the student is absent for the mid semester examination, no re-exam shall be conducted and mid semester marks for that examination shall be considered as zero.

First midterm examination shall be conducted for I, II units of syllabus with one either or type question from each unit and third either or type question from both the units. The second midterm examination shall be conducted for III, IV and V units with one either or type question from each unit.

Final mid semester marks shall be arrived at by considering the marks secured by the student in both the mid examinations with 80% weightage given to the better mid exam and 20% to the other.

For Example:

Marks obtained in first mid: 25

Marks obtained in second mid: 20

Final mid semester Marks: $(25 \times 0.8) + (20 \times 0.2) = 24$

If the student is absent for any one midterm examination, the final mid semester mark shall be arrived at by considering 80% weightage to the marks secured by the student in the appeared examination and zero to the other.

For Example:

Marks obtained in first mid: Absent

Marks obtained in second mid: 25

Final mid semester Marks: $(25 \times 0.8) + (0 \times 0.2) = 20$

5.4 **End Examination Evaluation:**

- i. End examination of theory subjects shall have the following pattern:
 - a) There shall be 6 questions and all questions are compulsory.
 - b) Question I shall contain 10 compulsory short answer questions for a total of 20 marks such that each question carries 2 marks. There shall be two short answer questions from each unit.

- c) In each of the questions from 2 to 6, there shall be either/or type questions of 10marks each. Student shall answer any one of them.
- d) The questions from 2 to 6 shall be set by covering one unit of the syllabus for each question.
- ii. End examination of theory subjects consisting of two parts of different subjects, for Example: Electrical & Mechanical Technology shall have the following pattern:
 - a) Question paper shall be in two parts viz., Part A and Part B with equal weightage.
 - b) In each part, there shall be 3 either-or type questions for 12,12 and 11 marks.

5.5 For practical courses, there shall be a continuous evaluation during the semester for 30 sessional marks and end examination shall be for 70 marks. Day-to-day work in the laboratory shall be evaluated for 30 marks by the concerned laboratory teacher based on the regularity/record/viva/mid semester test. The end examination shall be conducted by the concerned laboratory teacher and a senior expert in the subject from the same department. In a practical subject consisting of two parts (Ex: Electrical & Mechanical Engineering Lab), the end examination shall be conducted for 35 marks in each part. Mid semester examination shall be evaluated as above for 30 marks in each part and final mid semester marks shall be arrived by considering the average of marks obtained in two parts.

5.6 There shall be mandatory courses with zero credits. There shall be no external examination. However, attendance in the audit course shall be considered while calculating aggregate attendance and student shall be declared to have passed the mandatory course only when he/she secures 40% or more in the internal examination. In case, the student fails, a re-examination shall be conducted for failed candidates every six months/semester at a mutually convenient date of college/student satisfying the conditions mentioned in item 1 & 2 of the regulations.

5.7 For the subject having design and/or drawing, such as Engineering Drawing, the distribution of marks shall be 30 for mid semester evaluation and 70 for end examination.

Day-to-day work shall be evaluated for 15 marks by the concerned subject teacher based on the reports/submissions prepared in the class. And there shall be two midterm examinations in a semester for duration of 2 hours each for 15 marks with weightage of 80% to better mid marks and 20% for the other. The subjective paper shall contain 3 either or type questions of equal weightage of 5 marks. There shall be no objective paper in mid semester examination. The

sum of day-to-day evaluation and the mid semester marks will be the final sessional marks for the subject.

The end examination pattern for Engineering Graphics, shall consists of 5 questions, either/or type, of 14 marks each. There shall be no objective type questions in the end examination. However, the end examination pattern for other subjects related to design/drawing is mentioned along with the syllabus.

- 5.8 Laboratory marks and the sessional marks awarded by the college are not final. They are subject to scrutiny and scaling by the University wherever necessary. In such cases, the sessional and laboratory marks awarded by the college will be referred to a committee. The committee will arrive at a scaling factor and the marks will be scaled as per the scaling factor. The recommendations of the Committee are final and binding.
- 5.9 The laboratory records and mid semester test papers shall be preserved for a minimum of 2 years in the respective institutions as per the University norms and shall be produced to the Committees of the University as and when the same are asked for.
- 5.10 **Choice Based Credit Courses (CBCC):**
There shall be four professional elective courses, four open elective courses and two humanities elective courses, which are Choice Based Credit Courses (CBCC), offered from V semester onwards. Among them, professional elective course offered in VI semester shall be pursued through MOOCs. The student shall register for the course (Minimum of 12 weeks) offered by SWAYAM/NPTEL through online with the approval of Head of the Department. The Head of the Department shall appoint one mentor to monitor the student's assignment submissions given by SWAYAM/NPTEL. The student needs to earn a certificate by passing the exam. The student shall be awarded the credits assigned in the curriculum only by submission of the certificate. In case, if student does not pass subject registered through SWAYAM/NPTEL, the University shall conduct the external examination for the MOOC subject for 100 marks based on the syllabi of the respective subject provided in the curriculum.
- 5.11 **Minor degree in a discipline(Minor degree/programme):**
This concept is introduced in the curriculum of all conventional B.Tech. program offering a major degree. The main objective of Minor in a discipline is to provide additional learning opportunities for academically motivated students and it is optional feature of the B. Tech. program. To earn a Minor in a discipline a student must earn 20 extra credits by studying five theory subjects for 15 credits with 3 credits each from the program core & professional elective course, as decided by the respective Board of Studies, of the minor discipline and a Project (Minor) for 5 credits.

Student may register for the Project (Minor) from V semester onwards and complete the same before VIII semester. Out of total 100 marks for the **Project (Minor)**, 30 marks shall be for Internal Evaluation and 70 marks for the End Semester Examination (Viva-voce). The Viva-Voce shall be conducted by a committee consisting of HOD, Project Supervisor and an External Examiner nominated by the University. The evaluation of project work shall be conducted at the end of the VIII semester. The Internal Evaluation shall be made by the departmental committee (Head of the Department and one senior faculty member of the Department and Supervisor).

- i Students having a CGPA of 8.0 (for SC/ST students CGPA of 7.5) or above up to II year-I semester and without any backlog subjects will be permitted to register for Minor discipline programme. An SGPA and CGPA of 7.5 (for SC/ST students CGPA of 7.0) must be maintained in the subsequent semesters without any backlog subjects in order to keep the Minor discipline registration live or else it will be cancelled.
- ii Students aspiring for a Minor must register from V semester onwards and must opt for a Minor in a discipline other than the discipline he/she is registered in. However, Minor discipline registrations are not allowed before V semester and after VI semester.
- iii Students will not be allowed to register and pursue more than two subjects in any semester.
- iv The Evaluation pattern of theory subjects shall be similar to the regular programme evaluation.
- v Minimum strength required for offering a **Minor in a** discipline is considered as 20% of the class size and there shall be no limit on maximum strength.
- vi Completion of a Minor discipline programme requires no addition of time to the regular Four-year Bachelors' programme. That is, Minor discipline programme should be completed by the end of final year B. Tech. program along with the major discipline.
- vii The Concerned Principal of the college shall arrange separate course/class work and timetable of the various Minor programmes. Attendance regulations for these Minor discipline programmes will be as per regular courses.
- viii A student registered for Minor in a discipline shall pass in all subjects that constitute the requirement for the Minor degree programme. No class/division (i.e., second class, first class and distinction, etc.) shall be awarded for Minor degree programme.
- ix The Minor in a discipline will be mentioned in the degree certificate as Bachelor of Technology in XXX with Minor in YYY. For example, Bachelor of Technology in Mechanical Engineering with Minor in Computer Science. This fact will also be reflected in the transcripts, along

with the list of courses taken for Minor programme with CGPA mentioned separately.

5.12 Honours degree in a discipline:

This concept is introduced in the curriculum for all conventional B. Tech. programmes. The main objective of Honours degree in a discipline is to provide additional learning opportunities for academically motivated students, and it is an optional feature of the B. Tech. programme. To earn an Honours degree in his/her discipline, a student has to earn 20 extra credits by studying five courses with 4 credits each. The Evaluation pattern of theory subjects will be similar to the regular programme evaluation.

Students aspiring for Honours degree must register from V semester onwards. However, Honours degree registrations are not allowed before V semester and after VI semester.

- i Students having a CGPA of 8.0 (for SC/ST students CGPA of 7.5) or above up to II year-I semester and without any backlog subjects will be permitted to register for degree with Honours. An SGPA and CGPA of 7.5 (for SC/ST students CGPA of 7.0) has to be maintained in the subsequent semesters without any backlog subjects in order to keep the degree with Honours registration live or else it will be cancelled.
- ii Students aspiring for Honours must register from V semester onwards, and must opt for Honours in a discipline he/she is registered in. However, Honours registrations are not allowed before V semester and after VI semester.
- iii Students will not be allowed to register and pursue more than two subjects in any semester.
- iv The Evaluation pattern of theory subjects shall be similar to the regular programme evaluation.
- v Minimum strength required for offering Honours in a discipline is considered as 20% of the class size and there shall be no limit on maximum strength.
- vi Completion of Honours requires no addition of time to the regular Four-year Bachelors' programme. That is, Honours should be completed by the end of final year B. Tech. program along with the major discipline.
- vii The Head of the concerned department shall arrange separate course/class work and timetable for Honours. Attendance regulations for Honours will be as per regular courses.
- viii A student registered for Honours shall pass in all subjects that constitute the requirement for the Honours degree programme. No class/division (i.e., second class, first class and distinction, etc.) shall be awarded for Honours degree programme.
- ix The Honours will be mentioned in the degree certificate as Bachelor of Technology (Honours) in XXX. For example, Bachelor of Technology

(Honours) in Mechanical Engineering. This fact will also be reflected in the transcripts, along with the list of courses taken for Honours programme with CGPA mentioned separately.

- 5.13 A **Socially relevant Project** is introduced in V & VI semesters for 0.5 credits in each semester. The student shall spend 15 Hrs./semester on any socially relevant project and submit a report for evaluation. This shall be evaluated for 50 marks in each of the above semesters by a committee consisting of Head of the department, Project mentor and one senior faculty member of the department. A student shall acquire 0.5 credits assigned, when he/she secures 40% or more marks for the total of 50 marks. In case, if a student fails, he/she shall resubmit the report. There shall be no external evaluation.
- 5.14 There shall be one Comprehensive online examination with **zero credits** conducted by the college at the end of VI semester with 100 objective questions for 100 marks on the subjects studied up to VI semester. Student shall be declared to have passed the Comprehensive online examination only when he/she secures 40% or more marks in the examination. In case, the student fails, reexam shall be conducted in a month. If the student is unable to secure 40% marks in reexam, then he/she shall reappear as and when VI semester supplementary examinations are conducted.
- 5.15 **Internship/Industrial Training/Research Projects in National Laboratories/ Academic Institutions:**
An Internship/Industrial Training/Research Projects in National Laboratories/Academic Institutions in physical or virtual mode is introduced for 2 credits in the curriculum. It is introduced at the end of VI semester i.e., during summer vacation for a period of 4 weeks. The student shall submit a diary and a technical report for evaluation. This shall be evaluated in the VII semester for 50 marks by a committee consisting of Head of the Department along with two senior faculty members of the department. A student shall acquire 2 credits assigned, when he/she secures 40% or more marks for the total of 50 marks. In case, if a student fails, he/she shall reappear as and when the VII semester supplementary examinations are conducted. There shall be no external evaluation.
- 5.16 **Procedure for Conduct and Evaluation of Project Work:**
There shall be a presentation of **Abstract of the main project** in the VII Semester. After selecting the specific topic, the student shall collect the information and prepare a report, showing his/her understanding of the topic and submit the same to the department before presentation. The students start working on selected topic immediately after VII semester examinations.
Out of a total of 200 marks for the Project Work, 60 marks shall be for Internal Evaluation and 140 marks for the End Semester Examination (Viva-voce). The Viva-Voce shall be conducted by a committee consisting of HOD, Project

Supervisor and an External Examiner nominated by the University. Project work shall start in VII semester and shall continue in the VIII semester. The evaluation of project work shall be conducted at the end of the VIII semester. The Internal Evaluation shall be made by the departmental committee (Head of the Department, two senior faculty members of the department and Supervisor), based on two seminars given by each student on the topic of his/her project.

6. Attendance Requirements in Academics:

- 6.1 A student shall be eligible to appear for university examinations if he/she acquires a minimum of 75% of attendance in aggregate of all the subjects in a semester.
- 6.2 Condonation of shortage of attendance in aggregate up to 10% (65% and above and below 75%) in each semester may be granted by the College Academic Committee.
- 6.3 Shortage of Attendance below 65% in aggregate shall in NO CASE be condoned.
- 6.4 A stipulated fee shall be payable towards condonation of shortage of attendance to the University.
- 6.5 Students whose shortage of attendance is not condoned in any semester are not eligible to take their end examination of that class and their registration shall stand cancelled.
- 6.6 A student will not be promoted to the next semester unless he satisfies the attendance requirements of the present semester. They may seek re-admission for that semester when offered next.

7. Minimum Academic Requirements and Award of the Degree:

The following academic requirements have to be satisfied in addition to the attendance requirements mentioned in section 6.

- i. A student shall be deemed to have satisfied the minimum academic requirements and earned the credits allotted to each theory, practical, design, drawing subject or project if he secures not less than 35% of marks in the end examination and a minimum of 40% of marks in the sum total of the mid semester and end examination marks taken together. In case of mandatory courses he/she should secure 40% of the total marks.
- ii. A student shall be promoted from IV to V Semester only if he/she fulfils the academic requirement of securing 40% of the credits (any decimal fraction should be rounded off to lower digit) in the subjects that have been studied up to III semester from the following examinations, irrespective of whether the candidate takes the end examination or not as per the normal course of study.

One regular and two supplementary examinations of I Semester
One regular and one supplementary examination of II Semester
One regular examination of III semester.

- iii. A student shall be promoted from VI semester to VII semester only if he/she fulfils the academic requirements of securing 40% of the credits (any decimal fraction should be rounded off to lower digit) in the subjects that have been studied up to V semester from the following examinations, irrespective of whether the candidate takes the end examination or not as per the normal course of study.

One regular and four supplementary examinations of I Semester.
One regular and three supplementary examinations of II Semester.
One regular and two supplementary examinations of III Semester.
One regular and one supplementary examination of IV Semester.
One regular examination of V Semester.

And in case a student is detained for want of credits for particular academic year by sections ii and iii above, the student may make up the credits through supplementary examinations and only after securing the required credits he/she shall be permitted to join in the V semester or VII semester as the case may be.

- iv. A student shall register and put-up minimum attendance in all 160 credits and earn all the 160 credits.
- v. Students who fail to earn 160 credits as indicated in the course structure within eight academic years from the year of their admission shall forfeit their seat in B.Tech. course and their admission shall stand cancelled.

8. With-holding of Results:

If the candidate has any dues not paid to the university or if any case of indiscipline or malpractice is pending against him/her or candidate or student, the result of the candidate shall be withheld, and the candidate will not be allowed/promoted into the next higher semester. The issue of awarding degree is liable to be withheld in such cases.

9. Award of Grades:

After each subject is evaluated for 100 marks, the marks obtained in each subject will be converted to a corresponding letter grade as given below, depending on the range in which the marks obtained by the student fall.

Structure of Grading of Academic Performance

Range in which the marks in the subject fall	Grade	Grade points Assigned
≥ 90	S (Superior)	10
80-89	A (Excellent)	9
70-79	B (Very Good)	8
60-69	C (Good)	7
50-59	D (Average)	6
40-49	E (Below Average)	5
< 40	F (Fail)	0
Absent	Ab (Absent)	0

- i. A student obtaining Grade ‘F’ or Grade ‘Ab’ in a subject shall be considered failed and will be required to reappear for that subject when it is offered the next supplementary examination.
- ii. For mandatory courses, “Satisfactory” or “Unsatisfactory” shall be indicated instead of the letter grade and this will not be counted for the computation of SGPA/CGPA.

Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA):

- i The Semester Grade Point Average (SGPA) is the ratio of sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e.,

$$SGPA = \frac{\sum (C_i \times G_i)}{\sum C_i}$$

where, C_i is the number of credits of the i^{th} subject and G_i is the grade point scored by the student in the i^{th} course.

- ii The Cumulative Grade Point Average (CGPA) will be computed in the same manner taking into account all the courses undergone by a student over all the semesters of a program, i.e.,

$$CGPA = \frac{\sum (C_i \times S_i)}{\sum C_i}$$

where “ S_i ” is the SGPA of the i^{th} semester and C_i is the total number of credits upto that semester.

- iii Both SGPA and CGPA shall be rounded off to 2 decimal points and reported in the transcripts.
- iv While computing the SGPA the subjects in which the student is awarded Zero grade points will also be included.

Grade Point: It is a numerical weight allotted to each letter grade on a 10-point scale.

Letter Grade: It is an index of the performance of students in a said course. Grades are denoted by letters S, A, B, C, D, E and F.

10. Award of Class:

After a student has satisfied the requirements prescribed for the completion of the program and is eligible for the award of B. Tech. degree he/she shall be placed in one of the following four classes

Class Awarded	CGPA Secured
First Class with Distinction	≥ 7.5
First Class	$\geq 6.5 < 7.5$
Second Class	$\geq 5.5 < 6.5$
Pass Class	$\geq 5.0 < 5.5$

11. Gap Year Concept:

Gap year concept for Student Entrepreneur in Residence is introduced and outstanding students who wish to pursue entrepreneurship are allowed to take a break of one year at any time after II year to pursue full-time entrepreneurship. This period may be extended to two years at the most and these two years would not be counted for the time for the maximum time for graduation. The Principal of the respective college shall forward such proposals submitted by the students to the University. An evaluation committee constituted by the University shall evaluate the proposal submitted by the student and the committee shall decide whether to permit the student(s) to avail the Gap Year or not.

12. Transitory Regulations:

Discontinued, detained, or failed candidates are eligible for readmission as and when the semester is offered after fulfilment of academic regulations. Candidates who have been detained for want of attendance or not fulfilled academic requirements or who have failed after having undergone the course in earlier regulations or have discontinued and wish to continue the course are eligible for admission into the unfinished semester from the date of commencement of class work with the same or equivalent subjects as and when subjects are offered, subject to Section 2 and they will follow the academic regulations into which they are readmitted.

Candidates who are permitted to avail Gap Year shall be eligible for re-joining into the succeeding year of their B. Tech from the date of commencement of class work, subject to Section 2 and they will follow the academic regulations into which they are readmitted.

13. Minimum Instruction Days for a Semester:

The minimum instruction days including exams for each semester shall be 90 days.

14. Medium of Instruction:

The Medium of Instruction is **English** for all courses, laboratories, mid semester and external examinations, Comprehensive Viva-Voce, seminar presentations and project reports.

15. Student Transfers:

Student transfers shall be as per the guidelines issued by the Government of Andhra Pradesh and the University from time to time.

16. General Instructions:

- i. The academic regulations should be read as a whole for purpose of any interpretation.
- i. Malpractices rules-nature and punishments are appended.
- ii. Where the words “he”, “him”, “his”, occur in the regulations, they also include “she”, “her”, “hers”, respectively.
- iii. In the case of any doubt or ambiguity in the interpretation of the above rules, the decision of the Vice-Chancellor is final.
- iv. The University may change or amend the academic regulations or syllabi at any time and the changes or amendments shall be made applicable to all the students on rolls with effect from the dates notified by the University.

**ACADEMIC REGULATIONS (R19)
FOR B.TECH. (LATERAL ENTRY SCHEME)**

(Effective for the students getting admitted into II year through Lateral Entry Scheme from the Academic Year 2020-2021 onwards)

1. Award of B.Tech. Degree

A student admitted in Lateral Entry Scheme (LES) will be declared eligible for the award of the B.Tech degree if the student fulfils the following academic regulations:

- i. Pursues a course of study for not less than three academic years and not more than six academic years.
 - ii. Registers for 120.5 credits and secures all 120.5 credits from II to IV year of Regular B. Tech. program.
- 2.** Students, who fail to fulfil the requirement for the award of the degree within six consecutive academic years from the year of admission, shall forfeit their seat.
- 3.** The regulations **3** to **6** except 5.1 are to be adopted as that of B. Tech. (Regular).

4. Minimum Academic Requirements:

The following academic requirements have to be satisfied in addition to the attendance requirements mentioned in item no.5

- i. A student shall be deemed to have satisfied the minimum academic requirements and earned the credits allotted to each theory, practical, design, drawing subject or project if he secures not less than 35% of marks in the end examination and a minimum of 40% of marks in the sum total of the mid semester evaluation and end examination taken together.
- ii. A student shall be promoted from third year to fourth year only if the student fulfils the academic requirements of securing 40% of credits (any *decimal* fraction should be *rounded off* to *lower* digit) from the following examinations, irrespective of whether the candidate takes the end examination or not as per the normal course of study.
One regular and two supplementary examinations of III semester.
One regular and one supplementary examination of IV semester.
One regular examination of V semester.

And in case if student is already detained for want of credits for particular academic year, the student may make up the credits through supplementary exams of the above exams before the commencement of IV year I semester class work of next year.

5. Course Pattern

- 5.1 The entire course of study is three academic years on semester pattern.
 - 5.2 A student eligible to appear for the end examination in a subject but absent at the end examination may appear for that subject at the next supplementary examination offered.
 - 5.3 When a student is detained due to lack of credits/shortage of attendance the student may be re-admitted when the semester is offered after fulfilment of academic regulations, the student shall be in the academic regulations into which he/she is readmitted.
6. The regulations **8** to **16** are to be adopted as that of B. Tech. (Regular). All other regulations as applicable for B. Tech. Four-year degree course (Regular) will hold good for B. Tech. (Lateral Entry Scheme).
 7. There shall be two mandatory courses with **zero credits**: English in III semester, Mathematics in IV semester. There shall be no external examination for these mandatory courses. However, attendance in the mandatory course shall be considered while calculating aggregate attendance and student shall be declared to have passed the mandatory course only when he/she secures 40% or more in the mid semester examinations. In case, the student fails, a re-examination shall be conducted for failed candidates every six months/semester at a mutually convenient date of college/student satisfying the conditions mentioned in item 1 & 2 of the regulations.

RULES FOR

DISCIPLINARY ACTION FOR MALPRACTICES / IMPROPER CONDUCT IN EXAMINATIONS

	Nature of Malpractices/Improper conduct	Punishment
	<i>If the candidate:</i>	
1.(a)	Possesses or keeps accessible in examination hall, any paper, note book, programmable calculators, Cell phones, pager, palm computers or any other form of material concerned with or related to the subject of the examination (theory or practical) in which he is appearing but has not made use of (material shall include any marks on the body of the candidate which can be used as an aid in the subject of the examination)	Expulsion from the examination hall and cancellation of the performance in that subject only.
(b)	Gives assistance or guidance or receives it from any other candidate orally or by any other body language methods or communicates through cell phones with any candidate or persons in or outside the exam hall in respect of any matter.	Expulsion from the examination hall and cancellation of the performance in that subject only of all the candidates involved. In case of an outsider, he will be handed over to the police and a case is registered against him.
2.	Has copied in the examination hall from any paper, book, programmable calculators, palm computers or any other form of material relevant to the subject of the examination (theory or practical) in which the candidate is appearing.	Expulsion from the examination hall and cancellation of the performance in that subject and all other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted to appear for the remaining examinations of the subjects of that semester/year. The Hall Ticket of the candidate is to be cancelled and sent to the University.

3.	Impersonates any other candidate in connection with the examination.	The candidate who has impersonated shall be expelled from examination hall. The candidate is also debarred for four consecutive semesters from class work and all University examinations. The continuation of the course by the candidate is subject to the academic regulations in connection with forfeiture of seat. The performance of the original candidate who has been impersonated, shall be cancelled in all the subjects of the examination (including practicals and project work) already appeared and shall not be allowed to appear for examinations of the remaining subjects of that semester/year. The candidate is also debarred for four consecutive semesters from class work and all University examinations, if his involvement is established. Otherwise, the candidate is debarred for two consecutive semesters from class work and all University examinations. The continuation of the course by the candidate is subject to the academic regulations in connection with forfeiture of seat. If the imposter is an outsider, he will be handed over to the police and a case is registered against him.
4.	Smuggles in the Answer book or additional sheet or takes out or arranges to send out the question paper during the examination or answer book or additional sheet, during or after the examination.	Expulsion from the examination hall and cancellation of performance in that subject and all the other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the subjects of that semester/year. The candidate is also debarred for two consecutive semesters from class work and all University examinations. The continuation of the course by the candidate is subject to the academic regulations in connection with forfeiture of seat.
5.	Uses objectionable, abusive or offensive language in the answer paper or in letters to the examiners or writes to the examiner requesting him to award pass marks.	Cancellation of the performance in that subject only.
6.	Refuses to obey the orders of the Chief Superintendent /Assistant - Superintendent /any officer on duty or misbehaves or creates disturbance of any kind in and around the examination hall or organizes a walk out or instigates others to walk out, or threatens the officer-in charge or any person on duty in or outside the examination hall of any injury to his person or to any of his relations whether by words, either spoken or written or by signs or by visible representation, assaults the officer-in-charge, or any person on duty in or outside the examination hall or any of his relations, or indulges in any other act of misconduct or mischief which result in damage to or destruction of property in the examination hall or any part of the College campus or engages in any other act which in the opinion of the officer on duty amounts to use of unfair means or misconduct or has the tendency to disrupt the orderly conduct of the examination.	In case of students of the college, they shall be expelled from examination halls and cancellation of their performance in that subject and all other subjects the candidate(s) has (have) already appeared and shall not be permitted to appear for the remaining examinations of the subjects of that semester/year. If the candidate physically assaults the invigilator/ officer-in-charge of the Examinations, then the candidate is also debarred and forfeits his/her seat. In case of outsiders, they will be handed over to the police and a police case is registered against them.

7.	Leaves the exam hall taking away answer script or intentionally tears of the script or any part thereof inside or outside the examination hall.	Expulsion from the examination hall and cancellation of performance in that subject and all the other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the subjects of that semester/year. The candidate is also debarred for two consecutive semesters from class work and all University examinations. The continuation of the course by the candidate is subject to the academic regulations in connection with forfeiture of seat.
8.	Possess any lethal weapon or firearm in the examination hall.	Expulsion from the examination hall and cancellation of the performance in that subject and all other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the subjects of that semester/year. The candidate is also debarred and forfeits the seat.
9.	If student of the college, who is not a candidate for the particular examination or any person not connected with the college indulges in any malpractice or improper conduct mentioned in clause 6 to 8.	Student of the colleges expulsion from the examination hall and cancellation of the performance in that subject and all other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the subjects of that semester/year. The candidate is also debarred and forfeits the seat. Person (s) who do not belong to the College will be handed over to police and, a police case will be registered against them.
10.	Comes in a drunken condition to the examination hall.	Expulsion from the examination hall and cancellation of the performance in that subject and all other subjects the candidate has already appeared including practical examinations and project work and shall not be permitted for the remaining examinations of the subjects of that semester/year.
11.	Copying detected on the basis of internal evidence, such as, during valuation or during special scrutiny.	Cancellation of the performance in that subject only or in that subject and all other subjects the candidate has appeared including practical examinations and project work of that semester / year examinations, depending on the recommendation of the committee.
12.	If any malpractice is detected which is not covered in the above clauses 1 to 11 shall be reported to the University for further action to award suitable punishment.	

Malpractices identified by squad or special invigilators

1. Punishments to the candidates as per the above guidelines.
2. Punishment for institutions : (if the squad reports that the college is also involved in encouraging malpractices)
3. A show cause notice shall be issued to the college.
4. Impose a suitable fine on the college.
5. Shifting the examination centre from the college to another college for a specific period of not less than one year.

Note:-

Whenever the performance of a student is cancelled in any subject/subjects due to Malpractice, he has to register for End Examinations in that subject/subjects consequently and has to fulfil all the norms required for the award of Degree.

CIRCULAR

Sub: JNTUA-CEA - Visit of Staff to hostels every day to prevent ragging of I year B. Tech (2018 Batch) students - Reg.

In this connection with the admission of I year B. Tech (Regular) (2018 - 2019), the following staff members are requested to go round the hostels at least once every day as per the given below in order and check the possible ragging of fresher's. They may talk to the first year students and make them feel at home in the hostel. Any incident of ragging noticed during the rounds may be reported to the Principal for appropriate action. The Staff members are requested to make their own transport for the visits. Any exchange/adjustment of this arrangement should be informed to the Principal/Vice-Principal promptly. The timings of visit may be decided by the concerned team & inform O.I.H/Dy. Warden.

(NOTE:Please mention the above given Ref No in your reply)

Dear Sir,

This mail is to inform that we already have forwarded you a complaint. Kindly consider this mail as a remainder and send us revert on the action taken by you for the following complaint. The details which are required mentioned below, your earliest response would be appreciated.

- (i) Details of investigation done by anti ragging committee members,
- (ii) Conclusions of the investigations,
- (iii) List of the anti ragging committee members along with their signatures, position of the members in Anti Ragging Committee.(i.e., chairman, convenor or member etc.) and their contact details (Active Mobile Number and email address).
- (iv) Report should be on Letter Head of the Institution or with the stamp of the Head of Institution in pdf, Doc or JPEG format along with all supported documents.
- (v) Kindly mention your Regulatory Authority (i.e., UGC, MCI, NAAC, MHRD, AICTE etc.)
- (vi) Details of punishment for the culprits – if any etc.

NOTE: Enquiry /Investigation /Disciplinary Committee reports etc. are not acceptable. As per UGC regulations only report of the Anti Ragging Committee is acceptable.

This is to inform you that you can read – what constitutes Ragging on the following link: http://www.amanmovement.org/what_constitues_ragging.pdf. We will await your response before we recommend this case for further action. A personal dispute between students is Ragging.

Thanks & Regards

JNTUA COLLEGE OF ENGINEERING ANANTHAPURAMU (Autonomous)

ANTI RAGGING COMMITTEE REPORT

Jawaharlal Nehru technological University Anantapur College of Engineering adopted the "Zero Tolerance" policy towards ragging and implemented measures to curb ragging in the Institute. An anti-ragging committee was constituted to take anti-ragging measures as per the guidelines of the UGC & AICTE. The anti-ragging committee was formed under the chairmanship of Prof. K. Ramanaidu, Principal, JNTUACEA. A separate patrolling team was also constituted to conduct surprise visits to places like canteen, hostel, dining room, library, lecture halls, lunch hall and any other place in the campus seemed necessary. Awareness posters and banners were displayed in important areas and poster containing mobile numbers of the anti-ragging committee members and the National Helpline Number was also displayed.

The academic session started on 15th July 2018 with an induction programme. Second, Third and Final Year Senior students of the institute were sensitized about the consequences of ragging and were shown videos. To ensure continued monitoring of ragging issues in the hostel after college hours, a duty schedule for the teaching faculty was prepared and followed for a period of two months. To break the ice between the seniors and fresher's a friendly sports meet (Fresher's day) was conducted on 25th August 2018 during which Cricket, Kho-Kho, Kabaddi, Throw ball, tennicoil, and other were conducted. Feedbacks were obtained from the fresher's regarding the anti-ragging measures that were taken. Up to now no grievance has been received through Grievance cell which is in the College website.

No incidents of ragging were reported. The campus is ragging free and the measures are being continued to enable the fresher's to pursue their studies in a ragging-free environment.

ANANTAPURAM II-51505

Minutes of Disciplinary Action Committee Meeting:

The disciplinary committee met on 14/10/2019 at 3.30 P.M in conference hall to discuss the issue related to quarrel between students happened on 13/10/2019 at Boys Hostel Premises in the College.

A note has been submitted by Officer In charge of Hostels, wherein he stated that A. Vinay Raj of 2nd B.Tech Civil Engineering and M.G.Ganesh Kalyan of 2nd B.Tech Mechanical Engineering submitted a complaint against 4th B.Tech Civil Engineering students. Further after verifying the complaint it is noticed that a group of students from 2nd B.Tech I Sem Mechanical and Civil Engineering and 4th B.Tech I Sem Civil Engineering students quarreled each other on 13/10/2019 around 7.30 P.M to 11.30 P.M.

Keeping in view of the severity of the incident the disciplinary committee of the college is called for to discuss about the incident and take necessary disciplinary action against the involved students.

The disciplinary committee summoned and enquired the involved students on the incident and the following statements made before the committee.

1. A.Vinay Raj (18191A0104) of 2nd B.Tech Civil Engineering told that group of final year students namely 1). U.Balasiddaiah (16191A0150) 2). G.Guruva Reddy (16191A0113) 3). P.Vishnu Vardhan Reddy (15191A0144) and their friends called to be present at their hostel room (Room No. 109, Krishna Hostel). Subsequently, as per A.Vinay Raj, he went to Room No. 109 of Krishna Hostel. U.Balasiddaiah and group scolded and ragged him.
2. M.G.Ganesh Kalyan (18191A0355) of 2nd B.Tech Mechanical Engineering told that G.Guruva Reddy of 4th Civil Engineering called him at 10.00 P.M on 13/10/2019 and asked to meet him at his room. But he told to Guruva Reddy that he is unable to come today and coming tomorrow i.e on 14/10/2019. Sunday night (on 13/10/2019) G.Guruva Reddy and his friends came to my hostel room (Room No. 303 Godavari Hostel) and spoken with vulgar language and stabbed me. Further he told that for self protection he defended himself along with his friends.
3. Based on the inputs and compliant given by M.G.Ganesh Kalyan and A.Vinay Raj; U.Balasiddaiah, G.Guruva Reddy and P.Vishnu Vardhan Reddy were called before the committee and individual students replied against the complaints.
 - A. P.Vishnu Vardhan Reddy (15191A0144) of 4th B.Tech Civil Engineering told that the 2nd B.Tech Mechanical Engineering Student (M.G.Ganesh Kalyan) and his friends destroyed the painting made by 4th B.Tech Civil Engineering students in front of College Library building. In this context, I informed to M.G.Ganesh Kalyan and his friends to repaint the content of matter painted earlier. After my instructions they have accepted for repainting of the same within a week.

REGISTRAR
J.N.T.U. Anantapur
ANANTAPURAMII-515007

P.Vishnu Vardhan Reddy further stated that in spite of my instructions so many times they have not reacted. In this regard, P.Vishnu Vardhan Reddy called M.G.Ganesh Kalyan over phone on 13/10/2019 at 10.00 P.M, he has not responded to my phone call, hence I, U.Balasiddaiah and G.Guruva Reddy went to M.G.Ganesh Kalyan Hostel Room (Hostel Room No. 303 of Godavari Hostel). While discussing on painting issue made arguments and went on to extent of stabbing each other with articles. He admitted himself and done mistake on heat conditions. The same thing was accepted by U.Balasiddaiah and G.Guruva Reddy.

- I. After careful observations based on enquiring of individuals the disciplinary committee reviewed the entire episode after talking relevant information from Deputy Wardens and Officer In charge of Hostels resolved the following recommendations unanimously.
1. M. G. Ganesh Kalyan (18191A0355) of 2nd B.Tech Mechanical Engineering and A.Vinay Raj (18191A0104) of 2nd B.Tech Civil Engineering has to be expelled from College attached hostels until further orders.
 2. 1. P.Vishnu Vardhan Reddy (15191A0144), 2. G.Guruva Reddy (16191A0113), 3). U.Balasiddaiah (16191A0150), has to be rusticated from College attached hostels until further orders.
 3. 1. D.Hussain Vali (18191A0315), 2. G.Hemanth (18191A0318), 3. M.Kiran Kumar (18191A0325), 4. P.Sundaraiah (18191A0337), 5. M.Raghavendra (18191A0345) and 6. P.Uday Kiran (18191A0350) of 2nd B.Tech Mechanical Engineering students and 7. C.Lalu Prasad (16191A0156), 8. A.B.Vishnu Vardhan (16191A0143), 9. P.Amareswar Reddy (16191A0142) and 10. Y.Pradeep (16191A0106) of 4th B.Tech Civil Engineering were warned strictly and instructed to give undertaking stating that not to involve in this kind of incidents here after along with parents. Further they are warned, if any such incidents found to happen in future they will be detained from the college attached hostels.

**JNTUA College of Engineering (Autonomous)
ANANTHAPURAMU**

Minutes of the Anti Ragging Committee meeting held on 28-01-2022 at 4 pm in the college conference hall.

Anti Ragging committee under Chairmanship of the Principal, met on 01-02-2022 at 4 pm in the conference hall along with Vice Principal, Heads of the Department, other in-charges of Hostels, Dy. Wardens, Student members, Officer in-charges of academic section.

The committee reviewed the measures taken to curb the ragging in the campus and explained the effects and victim.

Effects on victim

Stress is a mind and body response or reaction to a real or imagined threat, event or change.

Effects seen are-

- Psychological problems
- Cognitive changes
- Behavioral problems
- Physical problems
- Other reactions to stressful events Ragging or even the very thought about it- provokes Stress.

While some people can put up with any behaviour and then forget about it and move on with their lives,

- Some sensitive ones may find all this too difficult to handle.
- They could land up with a nervous breakdown, go into a state of shock, sink into severe depression, discontinue their studies or even commit suicide.

There are documented cases of suffering from post-traumatic stress disorder following episodes of ragging where they were subjected to physical or mental torture.

Minutes of the Anti Ragging Committee meeting held on 01-02-2022 at 4 pm in the college conference hall.

Anti Ragging committee under Chairmanship of the Principal, met on 01-02-2022 at 4 pm in the conference hall along with Vice Principal, Heads of the Department, other in-charges of Hostels, Dy. Wardens, Student members, Officer in-charges of academic section.

The committee reviewed the measures taken to curb the ragging in the campus and explained the ways of Ragging and psychology.

Ways of ragging

1. Formal introduction- Introduce themselves in pure local language.
2. Verbal torture- indulging in loose talks
3. Dress code ragging- Often an awkward & uncomfortable dress code is imposed.
4. Playing the fool- asked to enact scenes, do silly things.
5. Hostel ragging- asked to do odd things
6. Drug abuse & Sexual abuse- severest form

Psychology of ragers

1. Gives a sense of Authority - boosts morale of a person - puts him/her on high.
2. An attitude of "I give back, what I got before"
3. As a means of catharsis- to vent ones unconscious frustrations.
4. Gratification of Sadistic tendencies- a good opportunity to satiate ones sadistic demands.
5. Makes a Fashion statement- many think that ragging will put them on a different pedestal in their college. & CH

Awareness program on "How IPR Impacts Life"

Name of the Event : How IPR Impacts Life
Date : 26th March 2022
Organized by : Dr. K. Aruna, Coordinator, IPR Facilitation centre, JNTUA Anantapur
Venue : College Auditorium, Jawaharlal Nehru Technological University
Anantapur College of Engineering (Autonomous), Ananthapuramu.
Speakers : Sri. Satish Kumar Yadav, Asst.director, MSME, New Delhi and
Dr.Niharika Salar, Assistant Professor, Nalsar University, Hyderabad.
No of Participants : 120

The IPR Facilitation Centre, JNTUA Anantapur, Organized an awareness program on "How IPR Impacts Life" on 26th March 2022 at the College Auditorium, Jawaharlal Nehru Technological University Anantapur College of Engineering (Autonomous), Ananthapuramu for the faculty and students of JNTUA. The speakers are Sri. Satish Kumar Yadav, Asst.director, MSME, New Delhi and Dr.Niharika Salar, Assistant Professor, Nalsar University, Hyderabad. The inaugural session was graced by Dr. K. Aruna, Coordinator, IPR Facilitation centre, JNTUA Anantapur, who enlightened the audience on the importance of adopting IPRs for the success of a modern business. Intellectual Property Right plays a crucial role in gaining an advantageous position to promote our nation's economic growth. India enjoys an enormous asset of R&D personnel and infrastructural facilities. Scientists and policymakers need more information, orientation and facilities to protect the products of the intellectual prowess of Indian Scientists. The chief guest of this program, Vice-Chancellor Prof. G. Ranga Janardhana, emphasized the significance of intellectual property rights and they affect our lives, and patent is an exclusive right granted for an invention, which is a product or a process that provides a new way of doing something, or offers a new technical solution to a problem. The limited monopoly right granted by the state enables an inventor to prohibit another person from manufacturing, using or selling the patented product or from using the patented process without permission. The speakers are Sri. Satish Kumar Yadav, Asst.director, MSME, New Delhi, explained that intellectual property is a property category that includes intangible creations of the human intellect and primarily encompasses copyrights, patents, and trademarks. It also includes other types of rights, such as trade secrets, publicity rights, moral rights, and rights against unfair

REGISTRAR

JNTU Anantapur
ANANTAPURAMU 515002

competition. Artistic works like music and literature, discoveries, inventions, words, phrases, symbols, and designs can all be protected as intellectual property. Another speaker Dr.Niharika Salar, Assistant Professor, Nalsar University, Hyderabad, discussed the primary purpose of intellectual property law is to encourage the creation of a wide variety of intellectual goods. An intellectual property right is a general term for assigning property rights through patents, copyrights and trademarks. These property rights allow the holder to exercise a monopoly on using the item for a specified period.

Objective:

The program's objective was to create awareness about Intellectual Property, the significance of intellectual property rights and how they affect our lives, and discuss IPR law.

The JNTUA IPRFC Five-Year Plan of Action

- ❖ “To create a platform for encouraging filing of IPRs and patenting the products/technologies for the benefit of the Institute and thereby to society at large”
- ❖ To provide IPRs protection information, orientation and facilities to faculty & students.
- ❖ To promote academic freedom and safeguard the interests of inventors in the creation and commercialization of intellectual property with legal support wherever necessary.
- ❖ To create an environment for acquiring new knowledge through innovation, develop an attitude of prudent IP management practices and promote an IPR culture compatible with the educational mission of the institute.
- ❖ To guide & advise researchers on how to obtain & sustain patents and help them approach the Patent IPRFC.
- ❖ To provide IPRs protection information, orientation and facilities to Institute (Students, Faculty and Research Scholars) to facilitate routing of patent searches to IPR, India.
- ❖ To get necessary clearances from competent authorities while filing patents and other IPRs like copyrights registration and design registration, etc. through IPRFC.
- ❖ To workout modalities on behalf of students for commercialization of patented technologies.
- ❖ To organize various IPR awareness programmes collaborating with Research Organizations in JNTUA Campus.
- ❖ To introduce and teach IPR as a mandatory credit course in the university
- ❖ To organize IP awareness/Capacity building/ Training programs/FDPPs on IPR to all the stake holders including faculties/students/start-ups/MSMEs
- ❖ To introduce certificate/diploma/undergraduate/postgraduate degree courses on IPR on regular/distant/e-learning mode
- ❖ To prepare IP policy for the university and implement the same effectively
- ❖ To manage the IP portfolio of the university, facilitate the filing of IP applications and coordinate with the authorized patent agent/attorney
- ❖ To market and facilitate university IP commercialization
- ❖ To partner with other stakeholders to strengthen the IP and innovation culture in the university
- ❖ To undertake research/consultancy projects in the area of IP
- ❖ To coordinate with State and Central Government agencies in the area of IP.

Awareness program on "Significance of Trademark registration, Design and Patent filing"

Name of the Event	: Significance of Trademark registration, Design and Patent filing
Date	: 19 th January 2022
Organized by	: Dr. K. Aruna, Coordinator, IPR Facilitation centre, JNTUA Anantapur
Venue	: District Industries Centre, Ananthapuramu
Speakers	: Dr. K. Aruna, Coordinator, IPR Facilitation centre, JNTUA Anantapur and Sri. M. Sudheer, Attorney & IPR Agent.
No of Participants	: 45

The IPR Facilitation Centre, JNTUA Anantapur, organized an Awareness program for industries at District Industries Centre, Anantapur, on "Significance of Trademark registration, Design and Patent filing" on 19th January 2022. The inaugural session was graced by Dr. K. Aruna, Coordinator, IPR Facilitation centre, JNTUA Anantapur, who enlightened the audience on the importance of adopting IPRs for the success of a modern business.

Objective:

The program's objective was to create a general awareness about the Intellectual Property, Advantages and Significance of Trademark registration, Design, patent filing, and the need for small and medium enterprises to protect their own IPs. Sri. M. Sudheer led the technical session, Attorney & IPR Agent, who spoke about the national framework of Intellectual Property Rights, giving insight into international treaties, filing, and dispute resolution mechanisms. He elaborated on the various IP instruments and their filing procedure, including IPR laws & practices in India, practical challenges in enforcing IP rights, and the current judicial scenario and Sri. G. Nagaraja Rao, General Manager, District Industries Centre, Anantapur, also talked about IP audits, the exchange of IPRs, and the importance of Trademarks for the industries.

Forty-five industry professionals attended this program, and some of the industry professionals were asked about some doubts about trademark registration. Some industries (i.e., J K Industries, Sree Krishna power looms, Vamsi masalas, and Chakradhar industries) are willing to register a trademark through our IPR Facilitation Centre, JNTUA Anantapur.

This program was more effective and valuable to our facilitation centre to improve the IPR registrations.

మేధో సంపత్తిని కాపాడుకోవడం ద్వారానే పారిశ్రామిక అభివృద్ధి

ఐపీఆర్ ఫైలింగ్ పై నిర్వహించిన అవగాహన సదస్సులో జిల్లా పారిశ్రామిక వేత్తలతో ఇండస్ట్రీస్ జీవం

అనంతపురం, అనంతపురం

జిల్లాలోని పారిశ్రామిక వేత్తలు వ్యవస్థపం ఉత్పత్తి, అమ్మకాలలో పాతూ మేలో సంపత్తిని కాపాడుకోవడంపై భృష్టి సారించాలని ఇండస్ట్రీస్ జీవం కేంద్రం కలెక్షనరులైన ఐపీఆర్(మేథో) సంపత్తి హక్కులు) అపై అవగాహన పెంచుకుని తమ రంగాలలో ట్రేడ్ మార్కెట్, సెటిల్డ్ డిజైన్స్ అను రిజిస్టర్ చేసుకుని బ్రాండ్ వాల్యూ పెంచుకోవాలన్నారు. పారిశ్రామిక సంపత్తిని అభివృద్ధిపర్చే మేలో సంపత్తి హక్కులను రిజిస్టర్ చేసుకోవడం, కాపాడుకోవడం వంటి అంశాలు ప్రధానంగా జేపీ యుగంలో ఇచ్చామని ఖయవ్ పేర్కొన్నారు.

బుధవారం ఉదయం స్థానిక జిల్లా పరిశ్రమల కేంద్రంలో జేపీయూ ఐపీఆర్ పెసిలిటేషన్ సెంటర్ వారు పరిశ్రమలకు ట్రేడ్ మార్కెట్ రిజిస్ట్రేషన్, డిజైన్స్ మరదు సెటిల్డ్ ఫైలింగ్ పై నిర్వహించిన అవగాహన కార్యక్రమంలో ఇండస్ట్రీస్ జీవం పాల్గొన్నారు.

ఈ సందర్భంగా ఖయవ్ మాట్లాడుతూ జేపీయూ ఐపీఆర్ పెసిలిటేషన్ సెంటర్ ద్వారా సులభంగా ఐపీఆర్ అను రిజిస్టర్ చేసుకోవచ్చని, ఈ అవకాశాన్ని జిల్లా పారిశ్రామిక వేత్తలు ఉపయోగించుకోవాలన్నారు. జేపీయూ ఐపీఆర్ పెసిలిటేషన్ సెంటర్ ద్వారా ఐపీఆర్ రిజిస్ట్రేషన్ చేసుకుంటే, రిజిస్ట్రేషన్ ఫీజు రుసుముల్ని మెంట్

ద్వారా రిఫిండ్ పొందే అవకాశం లభించుతుంది. ఈ కార్యక్రమంలో ఐపీఆర్ పెసిలిటేషన్ కార్యదర్శి అరుణ, ఏపీఐఐ సెటిల్డ్ సేపిడి, పారిశ్రామిక వేత్తలు డి. బోయి(జిజి ఇండస్ట్రీస్), నాగరాజు (ప్రొఫ్రీయర్), రామవేంద్ర (ఎక్జిక్యూటివ్ డైరెక్టర్), రంగా రెడ్డి (డిప్యూటీ టాకాస్ట్ ఐపీఆర్) లు పాల్గొన్నారు.

సమావేశానికి హాజరైన జీవం నాగరాజురావు, ఐపీఆర్ కేంద్రం సమన్వయకర్త అరుణ, ఏపీఐఐ సీనియర్ కార్యదర్శి శేషాద్రి తదితరులు

మేధో సంపత్తితోనే పారిశ్రామికాభివృద్ధి

అనంతపురం(శ్రీనివాస్ నగర్), న్యూస్ టుడే: మేధో సంపత్తి పెంచుకోవడం వల్ల జిల్లాలో పారిశ్రామికాభివృద్ధి సాధ్యమని జిల్లా పరిశ్రమల శాఖ(డిఐసీ) జీవం నాగరాజురావు పేర్కొన్నారు. ఆ శాఖ కార్యాలయ సభా మందిరంలో మేధో సంపత్తి హక్కులపై(ఐపీఆర్) పారిశ్రామిక వేత్తలకు ఋదవారం అవగాహన సదస్సు నిర్వహించారు. అన్ని రంగాలపై అవగాహన పెంచుకోవాలని జీవం అన్నారు. ట్రేడ్ మార్కు, పేటెంట్, డిజైన్ అను రిజిస్టర్ చేసుకుని బ్రాండ్ విలువ పెంచుకోవాలని సూచించారు. ప్రస్తుత విధానం ద్వారా ఐపీఆర్ ను సులువుగా రిజిస్టర్ చేసుకోవచ్చు. ఈ అవకాశాన్ని పారిశ్రామిక వేత్తలు సద్వినియోగం చేసుకోవాలన్నారు. జేపీయూ ఐపీఆర్ పెసిలిటేషన్ కేంద్రం ద్వారా రిజిస్ట్రేషన్ చేసుకోవడం వీలుండన్నారు. దీని మూలంగా రిజిస్ట్రేషన్ ఫీజు చెనక్కి వస్తుండన్నారు. సమావేశంలో ఐపీఆర్ కేంద్రం సమన్వయకర్త అరుణ, ఏపీఐఐ సీనియర్ కార్యదర్శి శేషాద్రి, సీనియర్ పారిశ్రామికవేత్తలు జ్యోతి, నాగరాజు, రామవేంద్ర, రంగా రెడ్డి తదితరులు పాల్గొన్నారు.

The JNTUA IPRFC Five-Year Plan of Action

- ❖ “To create a platform for encouraging filing of IPRs and patenting the products/technologies for the benefit of the Institute and thereby to society at large”
- ❖ To provide IPRs protection information, orientation and facilities to faculty & students.
- ❖ To promote academic freedom and safeguard the interests of inventors in the creation and commercialization of intellectual property with legal support wherever necessary.
- ❖ To create an environment for acquiring new knowledge through innovation, develop an attitude of prudent IP management practices and promote an IPR culture compatible with the educational mission of the institute.
- ❖ To guide & advise researchers on how to obtain & sustain patents and help them approach the Patent IPRFC.
- ❖ To provide IPRs protection information, orientation and facilities to Institute (Students, Faculty and Research Scholars) to facilitate routing of patent searchers to IPR, India.
- ❖ To get necessary clearances from competent authorities while filling patents and other IPRs like copyrights registration and design registration, etc. through IPRFC.
- ❖ To workout modalities on behalf of students for commercialization of patented technologies.
- ❖ To organize various IPR awareness programmes collaborating with Research Organizations in JNTUA Campus.
- ❖ To introduce and teach IPR as a mandatory credit course in the university
- ❖ To organize IP awareness/Capacity building/ Training programs/FDPs on IPR to all the stake holders including faculties/students/start-ups/MSMEs
- ❖ To introduce certificate/diploma/undergraduate/postgraduate degree courses on IPR on regular/distant/e-learning mode
- ❖ To prepare IP policy for the university and implement the same effectively
- ❖ To manage the IP portfolio of the university, facilitate the filing of IP applications and coordinate with the authorized patent agent/attorney
- ❖ To market and facilitate university IP commercialization
- ❖ To partner with other stakeholders to strengthen the IP and innovation culture in the university
- ❖ To undertake research/consultancy projects in the area of IP
- ❖ To coordinate with State and Central Government agencies in the area of IPs.

Webinar on Patent Search Analysis and Landscaping

Name of the Event	: Patent Search Analysis and Landscaping
Date	: 23 rd February 2022
Organized by	: Dr. K. Aruna, Coordinator, IPR Facilitation centre, JNTUA Anantapur
Venue	: Online (Webinar)
Speakers	: Sri.Ravindranadh Kacharam, Senior Manager, SciTech Patent Art Services Pvt. Ltd. Hyderabad.
No of Participants	: 270

On February 23, 2022, the IPR Facilitation Center, JNTUA Anantapur, hosted a webinar on "Patent Search Analysis and Landscaping" for the staff and students of JNTUA and JNTUA-affiliated colleges. In his presidential address, the Chief guest of this program, honourable Vice Chancellor Prof. G. Ranga Janardhana, emphasized the importance of intellectual property rights (IPR) nowadays to protect our ownership of our ideas and developments, which may assist inventors in launching successful businesses.

Totally 270 participants, including Research Scholars and faculty of the JNTUA and JNTUA affiliated colleges, participated in the programme. The Speaker is Sri.Ravindranadh Kacharam, Senior Manager, SciTech Patent Art Services Pvt. Ltd. Hyderabad, begins with the History of Intellectual Property, in which the resource person introduced a few cases who were not aware of IPR and how they lost their rights on inventions due to not having awareness about IPR, which further extended to the evolution of IPR. Subsequently explained the formation of the World Intellectual Property Organization and its roles and functions, i.e., IPR agreement administration and IPR Practices harmonization. Further, he explained the Indian scenario of the Intellectual property system, the Controller General of Patents, Designs and Trademarks offices, Department of Industrial Policy and Promotion. Also, emphasis has been given on the process of filing the Patent application, Copyright application, Trademark application, Design application and the Scheme for Facilitating Start-ups Intellectual Property Protection.

The JNTUA IPRFC Five-Year Plan of Action

- ❖ “To create a platform for encouraging filing of IPRs and patenting the products/technologies for the benefit of the Institute and thereby to society at large”
- ❖ To provide IPRs protection information, orientation and facilities to faculty & students.
- ❖ To promote academic freedom and safeguard the interests of inventors in the creation and commercialization of intellectual property with legal support wherever necessary.
- ❖ To create an environment for acquiring new knowledge through innovation, develop an attitude of prudent IP management practices and promote an IPR culture compatible with the educational mission of the institute.
- ❖ To guide & advise researchers on how to obtain & sustain patents and help them approach the Patent IPRFC.
- ❖ To provide IPRs protection information, orientation and facilities to Institute (Students, Faculty and Research Scholars) to facilitate routing of patent searchers to IPR, India.
- ❖ To get necessary clearances from competent authorities while filling patents and other IPRs like copyrights registration and design registration, etc. through IPRFC.
- ❖ To workout modalities on behalf of students for commercialization of patented technologies.
- ❖ To organize various IPR awareness programmes collaborating with Research Organizations in JNTUA Campus.
- ❖ To introduce and teach IPR as a mandatory credit course in the university
- ❖ To organize IP awareness/Capacity building/ Training programs/FDPs on IPR to all the stake holders including faculties/students/start-ups/MSMEs
- ❖ To introduce certificate/diploma/undergraduate/postgraduate degree courses on IPR on regular/distant/e-learning mode
- ❖ To prepare IP policy for the university and implement the same effectively
- ❖ To manage the IP portfolio of the university, facilitate the filing of IP applications and coordinate with the authorized patent agent/attorney
- ❖ To market and facilitate university IP commercialization
- ❖ To partner with other stakeholders to strengthen the IP and innovation culture in the university
- ❖ To undertake research/consultancy projects in the area of IP
- ❖ To coordinate with State and Central Government agencies in the area of IPs.

Virtual seminar on
“Plagiarism: Detection, Control and Legal Implications”

Name of the Event : Plagiarism: Detection, Control and Legal Implications
Date : 26th April 2022
Organized by : Dr. K. Aruna, Coordinator, IPR Facilitation centre, JNTUA Anantapur
Venue : Online
Speaker : Dr. A. S. Chakravarthy, Osmania University, Hyderabad.
No of Participants : 140

The IPR Facilitation Centre, JNTUA Anantapur, organized a virtual seminar on “Plagiarism: Detection, Control and Legal Implications” conducted on the occasion of World IP day on 26th April 2022 from 02:00 pm to 04:00 pm for the faculty and students of JNTUA and affiliated colleges. The total number of participants was 140. The workshop highlighted an overview of IPR, Plagiarism, Industrial Designs, Copyright, Trademark, Indian Patenting Procedure, IP Strategy and International Patent Procedures. The Speaker is Dr. A. S. Chakravarthy, Osmania University, Hyderabad. The program’s chief guest, Prof. M. Vijaya Kumar, Rector of JNTUA Anantapur, stressed that it takes more than simply enforcing another academic rule to prevent plagiarism. It also aims to teach students how to conduct research effectively in academic settings and in their future careers. It takes ongoing practice to uphold academic integrity standards, particularly when participating in new writing contexts.

Objective:

The workshop aims to sensitize the participants on ‘Issues related to Plagiarism’ and how the power of reference managers can be used in their research activities. Plagiarism is considered a form of misconduct in scholarly communications. You, as a researcher, must have heard about it; or you might know what it is. However, there exists ambiguity about it in the academic community. When does plagiarism occur? Is there any established percentage to determine when plagiarism has taken place? Is there a rule of thumb to determine plagiarism? Are there different types of it? What may be the consequences if plagiarism is detected? How to avoid it? This workshop aims to address these types of questions.
