#### **ABOUT THE FDP AND OBJECTIVES**

The motto of FDP is to bring the faculty fraternity and scientific community into the one umbrella and explore the importance of pharmacy education in academics, research industry & drug control aspects so as to improve the overall healthcare system across the world in this current pandemic.

In this FDP various eminent personalities from academics, research centers, pharmaceutical industries & as well from drug control departments will share their experiences and knowledge on current & future challenges in pharmacy education & research.

Pharmacy education & research deals with the discovery of vaccines, new chemical entities from various natural sources as maker compounds/ lead molecules, Synthesis of new chemical entities in research laboratories by applying eco-friendly retro-synthetic approach, purification by chromatographic techniques and characterized by various spectroscopic methods, thermal methods and elemental analysis and so on. As well Biological screening, pre-clinical, clinical studies and post clinical studies, formulation, prescribing & dispensing of medicine, Therapeutic drug monitoring and patient counselling.

This FDP programme will provide an effective platform to learn recent developments in the field of pharmacy education, research, pharmaceutical industry & drug control aspects to budding pharmacists, research scholars and as well faculty fraternity.

All India Council for Technical Education (AICTE) sponsored One week Faculty development programs (FDPs) have proven to be successful for improving teaching skills in higher education.

Professional training programs produce promising outcomes in the best teaching and learning practices and many FDPs have proven effective in developing faculty skills and educational leadership.

Faculty development constitutes a strategic level for institutional excellence and quality parameters.

#### **BENEFITS OF FDP:**

Attendees of the program will get insights on latest advancements in pharmacy education & research by highly qualified and experienced professionals from Pharmacy fraternity viz., academics, research, pharmaceutical industry & drug control aspects. This FDP will also helps in soft skills enrichment relevant to pharmaceutical sciences and technology.

#### **RESOURCE PERSONS:**

Highly qualified and eminent intellectuals from national and international i.e., reputed universities, institutions, pharma industries, drug control and other allied departments will contribute and disseminate their professional excellence to bring the transformation in faculty fraternity in turn faculty will commit and dedicate in their respective field for the development of society.
