About the Host Institution and Department:

JNTUA College Of Engineering is a prestigious Engineering college in AP, established in 1946 and has been growing from time to time with respect to intake, faculty strength, number of academic programs offered and infrastructure. The college functioned from College of Engineering, Guindy, Madras during 1946-48. It was shifted to Anantapur in the year 1948, with the formation of first technological university in our country in 1972 with head quarters in Hyderabad, this college has become one of the constituent colleges of JNTU. Further, from August, 2008, it is the constituent college of Jawaharlal Nehru Technological University, Anantapur by Act. No. 30 of Govt. of A.P. dt. 24.09.2008. Over the years, the college has started UG and PG courses in Civil, Electrical, Mechanical, Electronics, Computer Science and Chemical Engineering branches. All the laboratories have been modernized with the financial assistance received from various agencies. This institution is selected as a Network Institution by NPIU for the World Bank aided TEQIP- III from 2017-20.

The Department of Electrical Engineering has been functioning since the inception of the college. The department is offering UG and four PG courses and is having well equipped laboratories and highly qualified faculty.

Objective of the Workshop:

Outcome Based Education (OBE) is an educational model that forms the base of a quality education system. There is no single specified style of teaching or assessment in OBE. All educational activities carried out in OBE should help the students to achieve the set goals. The faculty may adapt the role of instructor, trainer, facilitator, and/or mentor, based on the outcomes targeted.

The mission statements of the NAAC aim at translating the NAAC's vision into action plans and define NAAC's engagement and endeavor as given below:

- To arrange for periodic assessment and accreditation of institutions of higher education or units thereof, or specific academic programmes or projects;
- To stimulate the academic environment for promotion of quality in teaching-learning and research in higher education institutions;
- To encourage self-evaluation, accountability, autonomy and innovations in higher education;
- To undertake quality-related research studies, consultancy and training programmes, and
- To collaborate with other stakeholders of higher education for quality evaluation, promotion and sustenance.
