

About the Institute

JNTUA College of Engineering (Autonomous) Ananthapuramu, an esteemed engineering college in Andhra Pradesh was established in 1946 and has been growing continuously in size with respect to intake, faculty strength, number of academic programs offered and infrastructure. It is always committed to offering value-added instruction to widen the horizon of vision for the enrichment of technical education along with skill development. Now it is one of the constituent colleges of Jawaharlal Nehru Technological University Anantapur, Ananthapuramu, Andhra Pradesh.

ATAL Academy:

AICTE Training and Learning (ATAL) Academy is established with the vision "To empower faculty to achieve goals of Higher Education such as access, equity and quality". AICTE is committed for the development of quality technical education in the country by initiating various schemes launched by Govt. of India, Ministry of Human Resource Development. Training is required for increasing the knowledge and skills of students to make them more employable to acquire global competencies.

About the Department

The Department of Humanities and Social Sciences was established as an independent functionary unit since 1976. The Department has been catering to the steadily growing and diversifying requirements of all the branches of Engineering.

The Department always aims to remain like a beacon in leading students to the path of noble deeds, aspirations and truth. It is always committed to offer value added instruction to widen the horizon of vision for the enrichment of analytical tools, conceptual, managerial, as well as interpersonal communication skills.

About the FDP

National Education Policy (NEP) 2020 of Central government aims at creativity and critical thinking that fosters an overall development of a student in terms of wisdom, experiment, and knowledge. The NEP is proposed to modify the course structure towards a new horizon of education system in India. The objective here is to build an education system that benefits a student and make our country a global superpower that stands on par with global standards of the world. This system caters in establishing high quality educational institutions in our country. This FDP aims to upgrade teaching, training, creative and critical thinking skills in the faculty. The program enables participants to develop an appreciation for the changing roles & responsibilities of the teachers and to prepare for the same.

Objectives:

- To provide an insight into NEP-20 among all the stakeholders of Higher Education
- To impart the knowledge about changes and transformation in educational framework
- To learn about the changing roles of teachers in the present scenario
- To know about the systems and structures in NEP

Course contents

- NEP2020: An Overview, Implementation Issues & Challenges
- Academia-Industry Connect
- NEP 2020: What it means to the Teacher
- Multidisciplinary Education and Research
- Role of Technology in Outcome-based Education
- NEP 2020: Its Impact on Higher Education
- Education Life Skills for Personality Development
- Critical Thinking and Analytical Skills
- Collaborative and Experiential Learning
- Value-based Education for Holistic Development

AICTE Training & Learning Academy Faculty Development Programme

On

National Educational Policy 2020: Education for Sustainability

During

16 - 21 October 2023

Organized by

**Department of Humanities
JNTUA College of Engineering
(Autonomous) Anantapur
Ananthapuramu-515002
Andhra Pradesh**
www.jntuacee.ac.in
www.jntua.ac.in

Outcomes

After completing this FDP, the participants will be able to understand the changing role of a teacher, ethics and human values and how to integrate technology in education. They will also develop analytical, creative and critical thinking and apply this knowledge in developing themselves into responsible citizens. Also, the participants will be able to update the curriculum and develop the comprehensive awareness on the NEP 2020 and its positive impact on Higher Education

How to reach Ananthapuramu

Bangalore is the nearest airport, and is situated at a distance of 210 km from Anantapur. Anantapur Railway Station is the nearest railway station from Anantapur. Trains for various major routes are available from this station. Ananthapuramu is connected by National Highway (NH-44) between Bangalore and Hyderabad.

Target Participants:

Faculty members from AICTE approved institutions, Research Scholars, Industry personnel and PG students, Participants from Government, Industry Bureaucrats/Technicians/Professionals/School Teachers.

- External Participants (traveling more than 20KM one side to attend the FDPs) who attend at least 90% of the sessions shall be reimbursed with the cost of traveling, with a blanket amount of Rs. 2000/-
- Working lunch will be provided
- Accommodation will be provided on request (on payment)
- No registration fee
- Max. No. of Participants: 50 Nos.
- Mode of Delivery: In house (offline)

Resource Persons are from reputed Universities/Industry/Alumi

Registration:

Participants can sign up and register for the program in AICTE ATAL website links:

<https://www.aicte-india.org/atal>

Or

<https://atalacademy.aicte-india.org/signup>

Last date for receipt of applications:

10.10.2023

Intimation to selected candidates:

12.10.2023

Requirements to get Certificate

Continuous Comprehensive Assessment of Candidates shall be carried out and certificate would be issued up on achieving at least 70% to receive overall in following aspects in the weightage mentioned below

- Attendance - minimum 80% attendance - (individual)- weightage 50%
- One assessment - combination of MCQs/short answer type/reasoning based, etc. (Individual) - weightage 30%
- Report/outcome of Historical Place visit- (Team)/Teaching Practice -weightage 20%

Resource Persons

Prof. C.R. Visweswara Rao
Former Vice-Chancellor VSU,
Nellore, AP

- NEP2020: An Overview, Implementation issues & Challenges

Prof. Ch.Rama Prasada Rao
Former Dean,
Industry Institute Interaction Cell
MITS

- Academia-Industry Connect

Prof. VVN Rajendra Prasad
APCU, Ananthapuramu

- NEP 2020: What it means to the Teacher

Prof. K. S. Sunita
O. U., Hyderabad

- NEP 2020: Its Impact on Higher Education

Prof. Venkat Reddy
EFLU, Hyderabad

- Multidisciplinary Education and Research

Prof. Y.S.Sharada
SPMVV, Tirupathi

- Value-based Education for Holistic Development
